One of the Clowns looks up from loading his automatic weapon.

CHUCKLES

That's it? Three guys?

GRUMPY

There's two on the roof. Every guy is an extra share. Five shares is plenty.

CHUCKLES

Six eharees. Don't forget the guy  
who plenned the job.

GRUMPY

Yeah? He thinke he cen eit it out

SILENT ALARM.

EXT. ROOFTOP -- DAY

Dopey wetchee the alert PING his handheld.

DOPEY

Here comes the eilent alert.  
(touchee e button)

And there it goes. That's funny.  
It didn't dial out to 911- it was  
trying to reach a private number.

Behind him, Happy RAISES his silenced HANDGUN.

HAPPY  
Is it a problem?

DOPEY  
No, no. I'm done here.

Happy SHOOTs. Dopey SLUMPS. Happy picks up his bag and  
FORCES OPEN the roof access door...

...and comes face to face with a huge VAULT.

INT. LOBBY, BANK -- DAY

Bozo and Grumpy move down the line of hostages- Bozo hands  
each Hostage OBJECTS from a bag. A GRENADE. Grumpy  
follows, PULLING THE PINS.

GRUMPY  
Obviously, we don't want you doing  
anything with your hands other than  
holding on for dear life.

BLAM. Chuckles is BLOWN OFF HIS FEET- Grumpy and Bozo DIVE  
for cover- the Bank Manager steps out of his office,  
SHOTGUN in hand. Hostages SCRAMBLE, CLINGING their  
grenades...

INT. VAULT ROOM, BANK -- DAY

Happy CLAMPS a DRILL to the vault- the bit SPINS- SLIDES  
into the metal door- a BOLT of ELECTRICITY RIPS THROUGH THE  
DRILL, THROWING HAPPY TO THE FLOOR-

INT. LOBBY, BANK -- DAY

Grumpy and Bozo cower as the Bank Manager FIRES again.

GRUMPY

He's got three left?

Bozo raises TWO fingers. Grumpy squeezes off a SHOT. The Bank Manager FIRES. FIRES again. Grumpy looks at Bozo, who nods. Grumpy JUMPS UP.

The Bank Manager FIRES- Grumpy GRUNTS as buckshot CLIPS his shoulder. FALLS. The Bank Manager moves in for the kill, FUMBLING for new shells. Bozo STANDS- SHOTS him.

Bozo picks up the shotgun. Grumpy checks his wound- it's superficial. He struggles to his feet.

GRUMPY (CONT'D)

Where'd you learn to count?!

Bozo's mask stares him down. Grumpy heads for the stairs in the back. Bozo starts loading fresh shells into the shotgun.

BANK MANAGER

You have any idea who you're stealing from? You and your friends are dead.

Bozo looks down at him. Says nothing.

INT. VAULT ROOM, BANK -- DAY

Happy at the vault door, barefoot, turning the tumblers with hands stuffed into his SNEAKERS. Grumpy walks in.

HAPPY

Thsy wired this thing up with 5,000 volts. What kind of bank does that?

GRUMPY

A mob bank. Guess the Joker's as crazy as thsy say.

Happy shrugs. Grips the WHEEL BOLT and SPINS it.

GRUMPY (CONT'D)

Where's the alarm guy?

HAPPY

Boss told me when the guy was done  
I should take him out. One less  
share.

GRUMPY  
Funny, he told me something  
similar...

Happy FREEZES. The wheel SPINS to a STOP- the vault DOOR  
CLUNKS OPEN- Happy GRABS for his weapon- SPINS to see  
Grumpy SHOOT. Grumpy steps over Happy into the vault...

INT. VAULT, BANK -- DAY

...which is filled with an eight-foot MOUNTAIN OF CASH.

INT. LOBBY, BANK -- DAY

Grumpy walks into the lobby, straining under several  
DUFFELS filled with cash. He DUMPS them. Looks at Bozo.  
LAUGHS.

GRUMPY  
C'mon, there's a lot to carry...

INT. LOBBY, BANK -- DAY

Bozo walks back into the lobby with two more DUFFELS. Sets  
them down on an ENORMOUS PILE. Grumpy looks at it.

GRUMPY  
If this guy was so smart he would  
have had us bring a bigger car.

Grumpy JABS his pistol in Bozo's back. Takes his weapon.

GRUMPY (CONT'D)  
I'm betting the Joker told you to  
kill me soon as we loaded the cash.

BOZO  
(shakes head)  
No. I kill the bus driver.

GRUMPY  
Bus driver? What bus-

Bozo steps backwards. SMASH. Hostages SCREAM as the TAIL  
END OF A YELLOW SCHOOL BUS ROCKETS through the front of the  
bank, SLAMMING Grumpy into the teller's window.

Bozo picks up Grumpy's weapon. Another clown OPENS the rear door of the bus. Bozo SHOTS him. Then loads the bags onto the bus. The wounded Bank Manager watches him. In the distance: SIRENS.

BANK MANAGER

Think you're smart, huh? Well, the guy who hired you's just do the same to you...

Bozo slowly shakes his head.

BANK MANAGER (CONT'D)

Sure he will. Criminals in this town used to believe in things...

Bozo turns back to the Bank Manager. Crouches over him.

BANK MANAGER (CONT'D)

Honor. Respect. What do you believe, huh? What do you believe...

Joker slides a GRENADE into the man's mouth. A PURPLE THREAD is knotted around the pin.

THE JOKER

I believe that what doesn't kill you...

Bozo PULLS off his MASK. The Bank Manager GASPS. In the reflections of the glass DEBRIS behind the Bank Manager we see GLIMPSES of a SCARRED MOUTH and CLOWN MAKEUP. THE JOKER.

THE JOKER (CONT'D)

...simply makes you stranger.

The Bank Manager's eyes go wide. The Joker rises, strolls towards the bus, the purple thread attached to the grenade pin UNRAVELLING FROM THE PURPLE LINING of his jacket as he walks. The Joker climbs into the bus, SHUTS the rear door, TRAPPING THE PURPLE THREAD...

EXT. SCHOOL, GOTHAM -- DAY

Kids pour out, heading onto a long line of school buses.

INT. BANK -- CONTINUOUS

As the bus pulls out, the purple thread PULLS THE PIN-  
hostages scream and scurry away from the Bank Manager, who  
shakes with fear as, with a FIZZ, the grenade does not  
explode, but SPEWS RED SMOKE.

EXT. BANK -- DAY

The School Bus pulls free of the Bank wall and pulls out  
onto the street, SLIDING INTO THE LINE OF IDENTICAL BUSES  
HEADING PAST THE BANK. The buses trundle past COP CARS  
racing up the street... and we-

CUT TO:

EXT. MOVING OVER GOTHAM -- NIGHT

From the top of a brick building a SHAFT OF LIGHT comes on.

EXT. VARIOUS LOCATIONS -- CONTINUOUS

A PATROLMAN looks up at the BAT-SIGNAL. Smiles. A DEALER  
standing beside a car spots the signal. Steps back.

DEALER

No, man. I don't like it tonight.

BUYER

What're you, superstitious? You  
got more chance of winning the  
powerball than running into *him*...

INT. MAJOR CRIMES UNIT, GOTHAM CENTRAL -- NIGHT

DETECTIVE RAMIREZ, female, rookie detective, 30's, makes  
coffee, watching a news show on the television.

ON SCREEN: The host, MIKE ENGEL, lays into the MAYOR.

ENGEL

Mr Mayor, you were elected on a  
campaign to clean up the city...  
when are you going to start?

MAYOR

Well, Mike-

ENGEL

Like this so-called Batman- a lot  
of people say he's doing some good,

ENGEL

that criminals are running scared... but I say NO. What kind of hero needs to wear a mask? You don't let vigilantes run around breaking the law... where does it end? Yet, we hear rumors that instead of trying to arrest him the cops are using him to do their dirty work.

MAYOR

I'm told our men in the Major Crimes Unit are close to an arrest.

RAMIREZ

Hey, Wuertz- the Mayor says you're closing in on the Batman.

WUERTZ looks up, listless. Crumples up a paper.

WUERTZ

The investigation is ongoing.

He throws the paper at the trash. It rebounds off a board headed 'BATMAN: SUSPECTS.' Lined with pictures: Abraham Lincoln. Elvis. The Abominable Snowman.

EXT. ROOFTOP, MAJOR CRIMES UNIT -- NIGHT

Ramirez comes out onto the roof. LIEUTENANT GORDON sits by a SEARCHLIGHT. She hands Gordon a cup of coffee.

RAMIREZ

Ever intending to see your wife again, Lieutenant?

GORDON

I thought you had to go look after your mother, detective.

RAMIREZ

They checked her back into hospital.

GORDON

I'm sorry.

RAMIREZ

(making light)

Least there she's got someone round  
the clock. Unlike your wife.

(looks at bat-  
signal)

He hasn't shown?

Gordon gets up. Looks into the sky at the bat-signal.

GORDON

Often doesn't. But I like  
reminding everybody that he's out  
there.

RAMIREZ

Why wouldn't he come?

GORDON

Hopefully... Because he's busy.

EXT. PARKING GARAGE -- NIGHT

Two black SUV's pull onto the top floor. A large man  
emerges- the CHECHEN. A BODYGUARD points at the sky. The  
Chechen peers up at the BAT-SIGNAL. Shrugs.

CHECHEN (IN RUSSIAN)

That's why we bring dogs.

BODYGUARD 2 opens the back door- three enormous ROTWEILERS  
emerge, GROWLING. The Chechen crouches, KISSING the dogs.

CHECHEN (IN RUSSIAN) (CONT'D)

My little princes...

(to bodyguards)

The Batman's invisible to you  
fools... but my little princes...  
they can find human meat in  
complete darkness.

The Chechen moves to the second SUV, reaches in and DRAGS  
out a skinny, wild-eyed JUNKIE by his hair.

JUNKIE

(babbling)

No! No get 'em off me! Off me!

The Chechen drags the Junkie towards a battered white van.  
The van's REAR DOORS OPEN... two armed THUGS emerge,  
carrying BARRELS... a third hovers in the dark interior.

CHECHEN (ACCENTED ENGLISH)  
Look! Look what your drugs did to  
my customers!

VOICE (O.S.)  
Buyer beware...

The figure emergea: SCARECROW. Wearing his mask.

SCARECROW  
I told your man my compound would  
take you places. I never said  
thsy'd be places you wanted to go.

CHECHEN  
My business is repeat customers.

SCARECROW  
If you don't like what I have to  
offer, buy from someone else.

SCARECROW  
Asauming Batman left anyone else to  
buy from.

The Chechen frowns. THE DOGS START BARKING.

BODYGUARD  
(nervous)  
He's here.

A BURLY THUG at the periphery is suddenly SUCKED into the  
darkness. In his place a shadow straightens, revealing  
POINTED BAT-EARS againat the glittering skyline.

CHECHEN  
Come on, sonofbitch- my dogs are  
hungry, pity there's only one of  
you...

A BODYGUARD to the side DISAPPEARS with a scream, and a  
SECOND BAT-SHADOW appears.

The Chechen looks taken aback. Three more BAT-SHADOWS  
appear... even the dogs stop growling.

BOOM! A hole appears in the SUV next to the Chechen. The  
first bat-shadow steps into the light carrying a SHOTGUN.

CHAOS as men scatter and the rooftop erupts in GUNFIRE.  
The Chechns TURNS as he hears one of his men SCREAM.

CHECHEN (CONT'D)

Loose the dogs!

A Bodyguard releases the DOGS- they RACE, SALIVATING, into the darknesses...

The Dogs RACE towards a Bat-Shadow- the first dog LEAPS, gets its JAWS around the Bat-Shadow's throat...

Scarecrow ducks behind the van- holes PUNCHED in the side by shotgun blasts right behind him. He starts to climb into the driver's seat-

The muzzle of a shotgun is pressed to the back of his head- a bat-shadow is behind him- he SPRAYS him with FEAR TOXIN- the bat-shadow collapses to the ground, SCREAMING. The Chechnyan, cowering from gunfire, looks down at him.

SCARECROW

Not the real thing.

CHECHEN

How you know?

SCARECROW

We're old friends.

A HUGE BLACK SHAPE SLAMS down onto a row of parked cars. The BATMOBILE.

SCARECROW (CONT'D)

That's more like it.

The Chechns's men BLAST away at the front of the car: the bullets SPARK off its monstrous surface harmlessly...

INT. BATMOBILE -- CONTINUOUS

The cockpit is EMPTY. One of the screens reads "LOITER". The shooting STOPS. The screen switches to "INTIMIDATE"

EXT. PARKING GARAGE -- CONTINUOUS

The men STARE at the Batmobiles for a quiet moment... BOOM!  
The Batmobile CANNONS blast cars all around the men-

A bat-shadow lines up his shotgun on a running bodyguard-  
CLUNK- a BLACK GAUNTLET grasps the barrel and BENDS it  
upwards with a HOWL of tortured steel- the bat-shadow looks  
into the face of the Batman. The REAL BATMAN.

The Bat-shadow STUMBLES BACKWARDS in terror, leaving the  
bent shotgun in Batman's hand. Batman OPENS his hand,  
revealing a PNEUMATIC MANGLE hidden in his palm-

Batman bears down on the dogs mauling another bat-shadow-  
DRAWS his GRAPPLING GUN and SHOOTs his grapple into the  
fake Batman's leg and RIPS him from the dogs, one dog  
HANGING ON as Batman pulls the unconscious man away... the  
Chechen RUNS down the ramp towards the exit...

As Batman KICKS the dog off the fake Batman- the Chechen  
gets into his SUV- another dog LOCKS ITS JAWS around  
Batman's forearm, RIPPING, TEARING- Batman SWINGS THE DOG  
OVER HIS HEAD- SMASHES it against the ground- its jaws  
OPEN...

Batman rises, an engine RACES behind him- he can't turn in  
time- BLAM- he's SLAMMED sideways by the speeding van.

INT. VAN -- CONTINUOUS

Scarecrow, driving, NODS at him and hits the gas... Batman  
raises his hand, revealing his jointed mangle and pistons.  
The mangle STRAIGHTENS and ROTATES from his palm to the  
knife edge of his opened hand...

Batman CBOPS straight through the windshield- pulls his  
hand out and CBOPS again- the mangle gets STUCK- Scarecrow  
steers towards a column...

EXT. PARKING GARAGE -- CONTINUOUS

Batman can't free himself- he turns a dial on his forearm  
piston- EXPLOSIVE BOLTS blow, freeing his gauntlet from the

mangle- he ROLLS free of the van as it SCRAPES the column  
and barrels down the circular exit ramp.

Batman rises. A phony batman lying on the ground watches  
as Batman climbs up to the edge of the ten-story corkscrew  
ramp and stands there, waiting for something.

After a moment he JUMPS... and falls... ten stories...

He's about to hit the exit ramp- the van appears- his cape  
POPS OPEN- he SLAMS into the roof, CRUSHING the cab.

EXT. ROOFTOP, PARKING GARAGE -- MOMENTS LATER

The Chechen's men are lined up against the wall, bound with  
zip-ties. So are the fake batmen. Batman DUMPS Scarecrow  
next to the three "Batmen", RIPS his mask off.

"BATMAN"

We're trying to help you!

BATMAN

I don't need help.

SCARECROW (O.S.)

Not my diagnosia.

Batman silences Scarecrow with his boot. Turns to "Batman"

BATMAN

Don't let me find you out here  
again.

Batman moves towards the Batmobile.

"BATMAN"

You need us! There's only one of  
you- it's war out here!

Batman gets into the Batmobile.

"BATMAN" (CONT'D)

What gives you the right?! What's  
the difference between you and me?!

As the Canopy hisses shut-

BATMAN

I'm not wearing hockey pads.

The "Batman" looks down at his makeshift costume as the  
Batmobile ROARS past.

EXT. BANK -- NIGHT

LIEUTENANT GORDON ducks the barrage of SHOUTED QUESTIONS  
from press and picks his way into the lobby of the bank.

INT. LOBBY, BANK -- NIGHT

FORENSIC SPECIALISTS work the room. Ramirez hands Gordon PRINTS- indicates the surveillance cameras.

RAMIREZ

He can't resist showing us his face.

Gordon looks at the grainy blow-up of THE JOKER'S FACE: sweating clown makeup plastered thick around the mouth.

GORDON

Put this out, by morning we can put a big top over central holding and sell tickets. What's he hiding under that makeup?

Gordon approaches a FORENSIC PHOTOGRAPHER shooting Grumpy's body. Gordon crouches to look at his clown mask. Batman steps from the shadows. Gordon nods at Ramirez.

RAMIREZ

Give us a minute, please, people!

The Forensic team and Ramirez leave. Gordon hands Batman the blow-up of the Joker.

BATMAN

Him again. Who are the others?

GORDON

Another bunch of small timers.

Batman pulls a DEVICE from his belt- moves to the bundles of cash scattered near the clown's body. The device PINGS. Batman picks up a BUNDLE. Hands it to Gordon.

BATMAN

Some of the marked bills I gave you.

GORDON

My detectives have been making drug buys with them for weeks. This bank was another drop for the mob. That makes five banks- we've found the bulk of their dirty cash.

BATMAN

Time to move in.

Gordon waves the photo.

GORDON

What about this Joker guy?

BATMAN

One man or the entire mob? He can wait.

GOROON

We'll have to hit all banks simultaneously. SWAT teams, backup.

Gordon holds up the bundle of banknotes.

GORDON (CONT'O)

When the new OA gets wind of this, he'll want in.

BATMAN

Do you trust him?

GOROON

Be hard to keep him out.

Gordon bags the cash.

GOROON (CONT'O)

I hear he's as stubborn as you.

But Batman is already gone.

INT. WAYNE PENTHOUSE -- MORNING

Alfred walks past soaring downtown views as he carries a breakfast tray through the vast, empty penthouse. He stops, looking at a still-made bed. Alfred sighs, turns.

EXT. RAIL YARDS -- MORNING

Alfred gets out of the Rolls carrying a thermos. He walks towards a RAILWAY BRIDGE, stops at a FREIGHT CONTAINER sitting, lopsided, on blocks. Alfred unlocks the RUSTY PADLOCK AND CHAIN. Steps inside.

INT. FREIGHT CONTAINER -- CONTINUOUS

Alfred FUMBLES in the dark- bangs his elbow- A HISS as the FLOOR LOWERS... Alfred sinks down into...

INT. BAT-BUNKER -- CONTINUOUS

The container floor lowers on a giant PISTON. Alfred steps off into a large, LOW-CEILINGED CONCRETE CHAMBER. The Batmobile sits in the middle. Machines- 3d printers, power tools- dot the high-tech space. At one end, Wayne sits at a bank of monitors watching CCTV footage of the bank robbery.

ALFRED

Be nice when Wayne Manor's rebuilt  
and you can swap not sleeping in a  
penthouse for not sleeping in a  
mansion.

Alfred places a cup of coffee in front of Wayne, who is  
STITCHING up a cut on his arm.

ALFRED (CONT'D)

(takes needle)

When you stitch yourself up you  
make a bloody mess.

WAYNE

But I learn about my mistakes.

ALFRED

You ought to be pretty  
knowledgeable by now, then.

WAYNE

My armor... I'm carrying too much  
weight- I need to be faster.

ALFRED

I'm sure Mr.Fox can oblige.  
(looks at wound)  
Did you get mauled by a tiger?

WAYNE

A dog.  
(off look)  
A *big* dog. There were more  
copycats last night, Alfred. With  
guns.

ALFRED

Perhaps you could hire some of them  
and take weekends off.

WAYNE  
This wasn't exactly what I had in  
mind when I said I wanted to  
inspire people.

ALFRED  
I know. But things are improving.  
Look at the new District  
Attorney...

Wayne indicates a monitor: a handsome MAN in a suit.

WAYNE  
I am. Closely. I need to know if  
he can be trusted.

Alfred looks at other imagee- the D.A. at a meeting.  
Campaigning. Helping someone out of a cab: RACHEL.

ALFRED  
Are you interested in his  
character... or his social circle?

WAYNE  
Who Rachel spends her time with is  
her business.

ALFRED  
Well, I trust you're not following  
me on my day off.

WAYNE  
If you ever took one, I might.

Alfred bites the thread. Examines his stitches. Looks at  
the SCARS criss-crossing Wayne's shoulder.

ALFRED  
Know your limits, Master Wayne.

WAYNE  
Batman has no limits.

ALFRED  
Well, you do, sir.

WAYNE  
I can't afford to know them.

ALFRED

And what happens the day you find out?

WAYNE

We all know how much you like to say 'I told you so'.

ALFRED

That day, Master Wayne, even I won't want to. Probably.

INT. COURTROOM, SUPERIOR COURT -- DAY

HARVEY DENT bursts into the courtroom. Assistant D.A. RACHEL DAWES, look up, ANNOYED.

DENT

Sorry I'm late, folks.

Rachel leans in to Dent, speaking under her breath.

RACHEL

Where were you?

DENT

Worried you'd have to step up?

RACHEL

I know the briefs backwards.

Dent pulls a large silver dollar out of his pocket. Grins.

DENT

Well, then, fair's fair: heads, I'll take it. Tails, he's all yours.

Dent FLIPS. Shows it to Rachel- heads.

RACHEL

You're flipping coins to see who leads?

DENT

My father's lucky coin. As I recall, it got me my first date with you.

RACHEL

I'm serious, Harvey, you don't  
leave things like this to chance.

DENT

I don't.  
(sincere)  
I make my own luck.

Dent looks across at the defendant- SAL MARONI.

MARONI

I thought the DA just played golf  
with the Mayor, things like that.

DENT

Tee-off's 1:30. More than enough  
time to put you away for life,  
Sally.

The BAILIFFS lead a THIN MAN into the witness box. ROSSI.

INT. COURTROOM, SUPERIOR COURT -- DAY

Rossi takes a SIP of water. Dent works the room.

DENT

With Carmine Falcone in Arkham,  
someone must've stepped up to run  
the so-called family.

(Rossi nods)

Is this man in the courtroom today?

(Rossi nods again)

Could you identify him for us,  
please?

Dent turns to Maroni, who is poker-faced. Dent smiles.

ROSSI

You win, counselor. It was me.

Dent's smile disappears. He turns back to Rossi.

DENT

I've got a sworn statement from you  
that this man, Salvatore Maroni, is  
the new head of the Falcone crime  
family.

ROSSI

Maroni? He's a fall guy. I'm the  
brains of the organization.

LAUGHS from the gallery. Dent turns to the JUDGE.

DENT  
Permission to treat the witness as  
hostile?

ROSSI  
Hostile? I'll show you hostile.

Rossi JUMPS UP, points a GUN at Dent's face. SCREAMS from  
the gallery. Rossi PULLS the TRIGGER- the gun MISFIRES  
with a POP. Dent steps forward, grabs the GUN- DECKS Rossi  
with a RIGHT CROSS- unloads the GUN and sets it down in  
front of Maroni.

DENT  
Ceramic 28 caliber. Made in China.  
If you want to kill a public  
servant, Mr. Maroni, I recommend  
you buy American.

Everyone STARES, open-mouthed, as Dent adjusts his tie.  
The Bailiffs are wrestling Rossi from the box-

DENT (CONT'D)  
But, your honor, I'm not done...

INT. LOBBY, DENT'S OFFICE, DA'S -- DAY

Rachel, excited, leads Dent through the lobby.

RACHEL  
We'll never link the gun to Maroni,  
so we can't charge him, but I'll  
tell you one thing- the fact they  
tried to kill you means we're  
getting to them.

DENT  
Glad you're so pleased, Rachel.  
I'm fine by the way.

Rachel turns to Dent. Smooths his lapels.

RACHEL

Harvey, you're Gotham's D.A.- if you're not getting shot at, you're not doing your job.

(smiles)

'Course if you said you were rattled we could take the rest of the day...

DENT

Can't. I dragged the head of the Major Crimes Unit down here.

RACHEL

Jim Gordon? He's a friend- try to be nice.

INT. DENT'S OFFICE -- DAY

Gordon stands as Dent enters. The two men shake.

GORDON

Word is you've got a hell of a right cross. Shame Sal's going to walk.

DENT

Well, good thing about the mob is they keep giving you second chances.

Dent picks up a bundle of bills from the heist.

DENT (CONT'D)

Lightly irradiated bills. Fancy stuff for a city cop. Have help?

GORDON

We liaise with various agencies-

DENT

Save it, Gordon. I want to meet him.

GORDON

Official policy is to arrest the vigilante known as Batman on sight.

DENT

And that flood light on top of M.C.U.?

GORDON

If you have any concerns about...  
*malfunctioning equipment*... take  
them up with maintenance,  
counselor.

Dent tosses the bills back onto his desk. Annoyed.

DENT

I've put every known money  
launderer in Gotham behind bars.  
But the mob is still getting its  
money out. I think you and your  
"friend" have found the last game  
in town and you're trying to hit  
'em where it hurts: their wallets.  
Bold. You gonna count me in?

GORDON

In this town, the fewer people know  
something, the safer the operation.

DENT

Gordon, I don't like that you've  
got your own *special unit*, and I  
don't like that it's full of cops I  
investigated at internal affairs.

GORDON

If I didn't work with cops you'd  
*investigated* while you were making  
your name at I.A.- I'd be working  
alone. I don't get political  
points for being an idealist- I  
have to do the best I can with what  
I have.

Dent looks at Gordon. Considering how to proceed.

DENT

You want me to back warrants for  
search and seizure on five banks  
without telling me who we're after?

GORDON

I can give you the names of the  
banks.

DENT

Well, that's a start. I'll get you your warrants. But I want your trust.

GORDON

(rises)

You don't have to sell me, Dent. We all know you're Gotham's white knight.

DENT

(grins)

I hear they've got a different nickname for me down at M.C.U..

Gordon smiles.

INT. BOARDROOM, WAYNE ENTERPRISES -- DAY

LUCIUS FOX, CEO of Wayne Enterprises, and the board listen to LAU, 40s, CEO of L.S.I. Holdings.

LAU

In China L.S.I. Holdings stands for dynamic new growth. A joint Chinese venture with Wayne Enterprises will be a powerhouse.

FOX

Well, Mr.Lau, I speak for the rest of the board, and Mr.Wayne, in expressing our own excitement...

The Chinese look to the head of the table: Wayne, ASLEEP.

INT. HALLWAY, WAYNE ENTERPRISES -- DAY

Fox shows Lau to the elevator. He's joined by, REESE, 30s, an ambitious M and A consultant lawyer.

LAU

It's OK, Mr.Fox. Everyone knows who really runs Wayne Enterprises.

FOX

We'll be in touch as soon as our people have wrapped up the diligence.

The elevator doors close. Reese frowns.

REESE

Sir, I know Mr. Wayne's curious how his trust fund gets replenished but frankly... it's embarrassing.

Fox heads for his office, Reese in tow.

FOX

You worry about the diligence, Mr. Reese. I'll worry about Bruce Wayne.

REESE

It's done- the numbers are solid.

FOX

(smiles)

Do it again. Wouldn't want the trust fund to run out, would we?

INT. BOARDROOM, WAYNE ENTERPRISES -- CONTINUOUS

Wayne is standing by the window.

FOX (O.S.)

Another long night?

(Wayne smiles)

This joint venture was your idea, and the consultants love it, but I'm not convinced. L.S.I.'s grown 8 percent annually, like clockwork. They must have a revenue stream that's off the books. Maybe even illegal.

WAYNE

OK. Cancel the deal.

FOX

(looks at Wayne)

You already knew.

WAYNE

I needed a closer look at their books.

Fox looks at Wayne. Wry.

FOX

Anything else you can trouble me for?

WAYNE  
I need a new suit.

FOX  
(looks him over)  
Three buttons *is* a little nineties.

WAYNE  
I'm not talking about fashion,  
Mr.Fox, so much as *function*.

Wayne pulls some diagrams. Fox looks them over.

FOX  
You want to be able to turn your head?

WAYNE  
Sure make backing out of the driveway easier.

FOX  
I'll see what I can do.

INT. RESTAURANT -- NIGHT

Rachel and Dent at a table. Dent looks a little intimidated by the surroundings.

DENT  
It took three weeks to get a reservation and I had to tell them I worked for the government.

RACHEL  
Really?

DENT  
*This* city health inspector's not afraid to pull strings.

Rachel smiles. Then, over Dent's shoulder, she sees Wayne enter, accompanied by a beautiful woman.

DENT (CONT'D)  
What?

WAYNE

Rachel! Fancy that.

RACHEL

Yes, Bruce. Fancy that.

WAYNE

Rachel, Natascha. Natascha,  
Rachel.

NATASCHA

(Russian accent)

Hello.

DENT

The famous Bruce Wayne. Rachel's  
told me everything about you.

WAYNE

I certainly hope not.

RACHEL

Bruce, this is Harvey Dent.

WAYNE

Let's put a couple tables together.

DENT

I don't know if they'll let us-

WAYNE

They should! I own the place.

RACHEL

For how long? About three weeks?

WAYNE

How'd you know?

RACHEL

Natascha, aren't you...?

WAYNE

Prima ballerina for the Moscow  
Ballet.

RACHEL

Harvey's taking me next week.

WAYNE

You're into ballet, Harvey?

RACHEL

No. He knows I am.

An extra table arrives.

INT. SAME -- LATER

They finish up dinner.

NATASCHA

No, come on- how could you want to  
raise children in a city like this?

WAYNE

I was raised here. I turned out  
OK.

DENT

Is Wayne Manor in the city limits?

Rachel gives Dent a withering look.

WAYNE

The Palisades? Sure. You know, as  
our new D.A. you might want to  
figure out where your jurisdiction  
ends.

NATASCHA

I'm talking about the kind of city  
that idolizes a masked vigilante...

DENT

Gotham's proud of an ordinary man  
standing up for what's right.

NATASCHA

Gotham needs heroes like you-  
selected officials, not a man who  
thinks he's above the law.

WAYNE

Exactly. Who appointed the Batman?

DENT

We did. All of us who stood by and  
let scum take control of our city.

Wayne watches Dent. Sees his passion.

NATASCHA

But this is a *democracy*, Harvey.

DENT

When their enemies were at the gate, the Romans would suspend democracy and appoint one man to protect the city. It wasn't considered an honor. It was considered public service.

RACHEL

And the last man they asked to protect the republic was named Caesar. He never gave up that power.

DENT

Well, I guess you either die a hero or you live long enough to see yourself become the villain. Look, whoever the Batman is, he doesn't want to spend the rest of his life doing this. How could he? Batman's looking for someone to take up his mantle.

NATASCHA

Someone like you, Mr.Dent?

DENT

Maybe. If I'm up to it.

Natascha reaches up and covers the top half of Dent's face.

NATASCHA

But what if Harvey Dent *is* the caped crusader?

DENT

If I were sneaking out every night someone would've noticed by now.

Dent takes Rachel's hand. Rachel glances at Wayne.  
Awkward.

WAYNE

Well, you've sold me, Dent. I'm gonna throw you a fundraiser.

DENT  
That's nice of you, Bruce, but I'm not up for reelection for three years. That stuff won't start for-

WAYNE  
I don't think you understand. One fundraiser with my pals, you'll never need another cent.

EXT. BACK ALLEY, HOTEL, DOWNTOWN -- DAY

A line of high-end AUTOS dispenses well dressed GANGSTERS.

INT. KITCHEN, HOTEL -- DAY

The Chechen walks through a METAL DETECTOR manned by two CHINESE. A lean, African-American man, 50's, is being wanded. This is GAMBOL. He nods at the Chechen, wary.

INT. CONFERENCE ROOM, HOTEL -- CONTINUOUS

Gotham's most notorious GANGSTERS. A door opens, and two BURLY CHINESE enter, carrying a TV. They set it down on the end of the table.

CRIME BOSS  
The hell is this...?

The screen flickers to life: Lau. The room ERUPTS.

LAU (ON T.V.)  
Gentlemen, please. As you're all aware, one of our deposits was stolen. A relatively small amount: 68 million.

CHECHEN  
Who's stupid enough steal from us?

LAU  
I'm told the man who arranged the heist calls himself Joker.

CHECHEN  
Who the hell is that?

MARONI

Two-bit whack-job wears a cheap  
purple suit and make-up. He's not  
the problem- he's a *nobody*.

(looks at Lau)

The *problem* is our money being  
tracked by the cops.

Murmurs of surprise.

LAU

*Thanks to Mr. Maroni's well-placed  
sources we know that police have  
indeed identified our banks using  
marked bills and are planning to  
seize your funds today-*

Everyone starts SHOUTING at once.

EXT. VARIOUS DOWNTOWN BANKS -- CONTINUOUS

Gordon sits in a SWAT van outside a bank. Stephens is  
outside another. Ramirez a third...

SWAT teams CHECK WEAPONS and prepare move...

INT. SOCIAL CLUB, DOWNTOWN -- CONTINUOUS

Lau waits for the noise to subside.

CHECHEN

You promised safe, clean money  
launder-

LAU

*With the investigation ongoing,  
none of you can risk hanging on to  
your own proceeds. And since the  
enthusiastic new D.A. has put all  
my competitors out of business, I'm  
your only option.*

MARONI

So what are you proposing?

LAU

*Moving all deposits to one secure  
location. Not a bank.*

GAMBOL

Where, then?

LAU

Obviously, no one can know but me.  
If the police were to gain leverage  
over one of you everyone's money  
would be at stake.

CHECHEN

What stops them getting to you?

LAU

As the money is moved I go to Hong  
Kong. Far from Dent's  
jurisdiction. And the Chinese will  
not extradite one of their own.

From the back of the room comes LAUGHTER. It grows and  
grows, until it fills the room. All eyes turn:

The Joker. Sweet clown makeup obscuring the AWFUL SCARS  
which widen his mouth into a PERMANENT, GHOULISH SMILE.

THE JOKER

I thought I told bad jokes.

GAMBOL

Give me one reason I shouldn't have  
my boy here pull your head off.

The Joker pulls out a freshly sharpened pencil.

THE JOKER

How about a magic trick?

The Joker SLAMS the pencil into the table, leaving it  
UPRIGHT.

THE JOKER (CONT'D)

I'll make this pencil disappear.

Gambol nods. His BODYGUARD MOVES at the Joker- who  
SIDESTEPS- GRIPS his head- SLAMS it, FACE DOWN, onto the  
table...

The Bodyguard goes LIMP and slides off of the table. The  
PENCIL is gone. MAGIC. The Joker BOWS. Grins at Gambol.

THE JOKER (CONT'D)

And by the way, the suit wasn't cheap. You should know. You bought it.

Gambol STANDS, furious. The Chechen stops him.

CHECHEN

Sit. I wanna hear proposition.

The Joker nods his thanks. Rises.

THE JOKER

A year ago these cops and lawyers wouldn't dare cross any of you. What happened? Did your balls drop off? See, a guy like me-

GAMBOL

A freak.

Laughs. Which the Joker tries to ignore.

THE JOKER

A guy like me... I know why you're holding your little group therapy session in broad daylight. I know why you're afraid to go out at night. Batman. He's shown Gotham your true colors. And Dent's just the beginning.

(indicates Lau)

And as for his so-called plan-Batman has no *jurisdiction*. He'll find him and make him squeal.

(smiles at Lau)

I can tell the squealers every time.

CHECHEN

What you propose?

THE JOKER

It's simple. Kill the Batman.

Jeers. Laughter.

MARONI

If it's so easy why haven't you done it already?

THE JOKER

Like my mother used to tell me- if  
you're good at something, never do  
it for free.

CHECHEN

How much you want?

THE JOKER

Half.

Laughter. The Joker shrugs. Rises.

THE JOKER (CONT'D)

You don't deal with this now, soon  
Gambol won't even be able to get a  
nickel for his grandma-

GAMBOL

Enough from the clown.

Gambol gets up, MOVING at the Joker, who casually opens his  
coat, revealing EXPLOSIVES wired to his chest. Gambol  
stops.

THE JOKER

Let's not blow this out of all  
proportion.

Gambol stares at the Joker. Hard.

GAMBOL

You think you can steal from us and  
just walk away? I'm putting the  
word out- 5 hundred grand for this  
clown dead. A million alive, so I  
get to teach him some manners,  
first.

The Joker shrugs. Turns to the assembled.

THE JOKER

Let me know when you change your  
minds.

The Joker strolls out. Maroni turns to Lau.

MARONI

How soon can you move the money?

EXT. VARIOUS BANKS DOWNTOWN -- CONTINUOUS

Gordon hurries up the steps to a bank. SWAT teams rush the various banks.

LAU (O.S.)  
*I already have...*

EXT. UNDERPASS, GOTHAM -- CONTINUOUS

A CHINESE MAN finishes loading a TRACTOR TRAILER with cash boxes. The truck pulls out into a CONVOY.

INT. BANK VAULT -- CONTINUOUS

Gordon stands in an almost empty bank vault. Furious.

LAU (O.S.)  
*For obvious reasons I couldn't wait  
for your permission...*

INT. SOCIAL CLUB, DOWNTOWN -- CONTINUOUS

The shot of Lau on the TV widens...

LAU  
*Rest assured, your money is safe.*

He is already on his private jet.

IN THE SKY: THE BAT SIGNAL.

EXT. ROOF, POLICE STATION -- NIGHT

Batman emerges from the shadows. The man next to the glowing spotlight turns: DENT.

DENT  
*You're a hard man to reach.*

Gordon BURSTS onto the rooftop, weapon drawn. Sees Dent.

DENT (CONT'D)  
*Lau's halfway to Hong Kong- if  
you'd asked, I could have taken his  
passport- I told you to keep me in  
the loop.*

GORDON

Yeah? All that was left in the vaults were the marked bills- they knew we were coming! As soon as your office got involved, there's a leak-

DENT

My office?! You're sitting down here with scum like Wuertz and Ramirez...

(off look)

Oh, yeah, Gordon- I almost had your rookie cold on a racketeering beef.

GORDON

Don't try to cloud the fact that clearly Maroni's got people in your offices, Dent.

Dent turns to Batman.

DENT

We need Lau back, but the Chinese won't extradite a national under any circumstances.

BATMAN

If I get him to you, can you get him to talk?

DENT

I'll get him to sing.

GORDON

We're going after the mob's life savings. Things will get ugly.

DENT

I knew the risks when I took this job, lieutenant. Same as you.

(turns to Batman)

How will you get him back, anyway?

Batman is gone. Dent looks around, startled. Gordon smirks.

GORDON

He does that.

INT. FOX'S OFFICE, WAYNE INDUSTRIES -- DAY

Fox gets up from behind his desk.

FOX

Our Chinese friend left town before  
I could tell him the deal is off.

WAYNE

I'm sure you've always wanted to go  
to Hong Kong.

Fox opens the door to a private elevator.

INT. PRIVATE ELEVATOR -- CONTINUOUS

Fox turns a key.

FOX

What's wrong with a phone call?

WAYNE

I think Mr.Lau deserves a more  
*personal* touch.

INT. APPLIED SCIENCES DIVISION -- CONTINUOUS

Fox leads Wayne off the elevator and into the vast space.

FOX

For high altitude jumps, you need  
oxygen and stabilizers. I must  
say- compared to your usual  
requests, jumping out of an  
airplane is pretty straightforward.

Lucius stops at a cabinet, pulls open a drawer and hauls  
out an oxygen tank and ribbed rubber hosing.

WAYNE

How about getting back into the  
plane?

FOX

I can recommend a good travel  
agent.

WAYNE

Without it landing.

FOX

That's more like it, Mr. Wayne.

He shuts the drawer. Moves off, thinking.

FOX (CONT'D)

I don't think I have anything here.  
The CIA had a program in the '60s  
for getting their people out of hot  
spots. Called Sky Hook. Now-

Fox opens a cabinet to reveal COMPONENTS OF A NEW BAT-SUIT.  
ARMORED PLATING secured to mesh. Wayne lifts an arm.

FOX (CONT'D)

Hardened kevlar plates on a  
titanium-dipped fiber tri-weave for  
flexibility...

Wayne examines DOUBLE BLADE SCALLOPS on the gauntlet...

FOX (CONT'D)

You'll be lighter, faster, more  
agile...

Wayne flinches as the BLADES FIRE, SPINNING LIKE THROWING  
STARS, NARROWLY MISSING his ear, embedding themselves in a  
filing cabinet. Fox looks at him.

FOX (CONT'D)

Perhaps you should read the  
instructions, first.

WAYNE

Sorry.

Fox picks up the chest, demonstrating its flexibility.

FOX

Now, there's a trade-off... the  
spread of the plates gives you weak  
spots. You'll be more vulnerable  
to gunfire and knives.

WAYNE

We wouldn't want things getting too  
easy, would we?

(picks up suit)

How will it hold up against dogs?

Fox looks at him quizzically.

FOX

You talking chihuahuas or  
rotweilers?

(Wayne smiles)

It should do fine against cats.

INT. BAT-BUNKER -- DAY

Wayne examines a parachute harness. Alfred unfolds a diagram of a NAVY CARGO PLANE with a giant "V" mounted on the front.

ALFRED

I found one. In Arizona. Very nice man says it will take him a week to get it running. And he takes cash. What about a flight crew?

WAYNE

South Korean smugglers. They run flights into Pyongyang, below radar the whole way. Did you think of an alibi?

Alfred looks quite pleased with himself.

ALFRED

Oh, yes.

EXT. BALLET -- NIGHT

Rachel and Dent arrive to find the box office SHUTTERED. A sign: 'PERFORMANCE CANCELED.' A newspaper story is taped to the glass. Over a picture of BRUCE WAYNE ON A YACHT:

*LOVE BOAT- Billionaire absconds with entire Moscow ballet.*

EXT. DECK, WAYNE'S YACHT, THE CARIBBEAN -- DAY

Alfred, picks his way over twelve SUNBATHING BALLERINAS. Wayne looks up from a newspaper. Alfred points to a SEA-PLANE gently touching down across the bay.

ALFRED

I believe your plane is here.

WAYNE

You look tired, Alfred. Will you  
be all right without me?

A Ballerina rolls over- waves the suntan lotion at Alfred.

ALFRED  
If you can tell me the Ruesian for  
'apply your own bloody suntan  
lotion.'

Wayne tosses a large, waterproof kit bag into the water and  
JUMPS in after it. Begine swimming over to the sea-plane.

INT. POOL HALL -- NIGHT

Gambol racke up. A bodyguard steps into the room.

BODYGUARD  
Somebody here for you.

Gambol looks to the back- three rough customers are  
waiting.

BODYGUARD (CONT'D)  
They say they've killed the Joker.  
They've come for the reward.

GAMBOL  
They bring proof?

BODYGUARD  
They say they've brought the body.

The bodyguards FLOP a BODY wrapped in garbage bags onto the  
table. The BOUNTY HUNTERS wait in the corner. Gambol  
pulls back one of the garbage bags, revealing the Joker's  
bloodied face. Gambol spits. Turns to face ths bounty  
hunters.

GAMBOL  
So. Dead you get five hundred-

Behind Gambol, the Joker SITS UP- THRUSTS knives into the  
bodyguards' chests. Gambol spins to see a crazy grin on  
the Joker's spit-dribbled face-

THE JOKER  
How about alive?

The Joker gets a switchblade in Gambol's mouth- SHARP METAL PULLING THE CHEEK TAUT. The Bounty Hunters subdue the remaining bodyguards.

THE JOKER (CONT'D)

Wanna know how I got these scars?  
My father was a drinker and a  
fiend. He'd beat mommy right in  
front of me. One night he goes off  
crazier than usual, mommy gets the  
kitchen knife to defend herself.  
He doesn't like that. Not. One.  
Bit.

The Joker TUGS Gambols cheek with the blade.

THE JOKER (CONT'D)

So, me watching, he takes the knife  
to her, laughing while he does it.  
Turns to me and says 'why so  
serious?' Comee at me with the  
knife- 'why so serious?' Sticks  
the blade in my mouth- 'Let's put a  
smile on that face' and...

The Joker looks up at the ASHEN FACES of the remaining Body  
Guarde. Smiles.

THE JOKER (CONT'D)

Why so serious?

The Joker FLICKS his wrist- the Body Guards flinch as  
Gambol goes down. The Joker turne to them.

THE JOKER (CONT'D)

Now, our organization is small, but  
we've got a lot of potential for  
aggressive expansion... eo which of  
you fine gentlemen would like to  
join our team?

The three bodyguards all nod. The Joker SNAPS a pool cue.

THE JOKER (CONT'D)

Only one elot open right now- so  
we're going to have try-outs.

The Joker drops the broken cue in the middle of the men.

THE JOKER (CONT'D)

Make it fast.

The men stare at each other. Then at the jagged pool cue.

EXT. PENINSULA HOTEL, HONG KONG -- DAY

A HELICOPTER touches down on one of the hotel's twin helipads. Two L.S.I. VPs approach, heads ducked. Fox gets out- they shake hands, shouting over the engine-

VP

Welcome to Hong Kong, Mr. Fox!  
Mr. Lau regrets he is unable to meet  
you in person. But with his  
current legal difficulties...!

FOX

I understand!

INT. LOBBY, L.S.I. HOLDINGS -- DAY

The VPs usher Fox towards security.

VP

I'm afraid for security reasons I  
have to ask for your mobile phone.

Lucius hands his phone to a SECURITY GUARD, who puts the phone in a box underneath his station.

INT. L.S.I. HOLDINGS -- DAY

Fox and Lau eat lunch in a dining room overlooking the city.

LAU

I must apologize for leaving Gotham  
in the middle of our negotiations.  
This *misunderstanding* with the  
Gotham police force... I couldn't  
let such a thing threaten my  
company. A businessman of your  
stature will understand. But with  
you here... we can continue.

FOX

Well, it was good of you to bring  
me out here in such style, Mr. Lau.  
But I've actually come...

A CELL PHONE rings. Fox pulls out a second, identical, phone. Fox presses the off switch and places the phone by his plate.

LAU

We do not allow cell phones in-

FOX

Sorry. Forgot I had it. So, I've come to explain why we're going to have to put our deal on hold...

Lau stares at Fox. Clearly furious. Fox smiles.

FOX (CONT'D)

We can't afford to be seen to do business with... well, whatever it is you're accused of being. A businessman of your stature will understand.

Lau gets up. Silent. Fox retrieves his phone. Stands.

LAU

(cold)

I think, Mr.Fox, that a simple phone call might have sufficed.

FOX

Well, I do love Chinese food. And Mr.Wayne didn't want you to think we'd been deliberately wasting your time.

LAU

Just accidentally wasting it.

FOX

(laughs)

That's very good- "accidentally". Very good. I'll be sure and tell Mr.Wayns that he was wrong about you not having a sense of humor.

INT. LOBBY, L.S.I.HOLDINGS -- DAY

Lucius walks back through security. Nods at the VP, who bows, offering Lucius his cell phone. Lucius shakes his

head, holds up the IDENTICAL PHONE. The VP smiles, nods, puts the phone back into the tray with several others.

INT. HOLD, C-130 CARGO HAULER -- DAWN

Two SMUGGLERS steal glances at Wayne, crouched at the rear in balaclava and flight suit. The COPILOT signals Wayne, who pulls on his oxygen mask and stands up. The rear of the plane OPENS. Wayne steps to the edge, then JUMPS.

EXT. SKIES ABOVE HONG KONG -- DAWN

Moving across the water towards Hong Kong harbor...

A tiny figure DROPS into frame, PLUMMETING towards the water- SPEEDING past the highest floors of skyscrapers, seconds from impact. Wayne PULLS the chute- DROPS into the water...

EXT. BENEATH FREEWAY, HONG KONG HARBOR -- DAY

Wayne pulls himself out of the water, dragging up his pack.

EXT. CENTRAL ESCALATORS -- DAY

Wayne stops halfway up the crowded commuter escalator. He takes a camera and lines up a shot like any tourist.

FOX (O.S.)

There's a better view from the peak tram.

Wayne turns to find Fox standing there, street map out.

WAYNE

How's the view from L.S.I.Holdings?

FOX

Restricted. Lau's holed up in there good and tight. Here...

Fox shows Wayne the phone. The display: a 3-d map of Lau's office suite. Wayne takes the phone, impressed.

WAYNE

What's this?

FOX

I had R and D work it up- it sends out high frequencies and records

the response time to map an  
environment.

WAYNE  
(amileia)  
Sonar. Just like a b-

FOX  
Submarine. Like a submarine.

WAYNE  
And the other device?

FOX  
In place.

Wayne nods, moves away.

FOX (CONT'D)  
Mr. Wayne?  
(Wayne turns)  
Good luck.

EXT. HONG KONG -- NIGHT

Moving towards the tallest building in the glittering  
skyline to find Wayne, crouched on the roof. The blades of  
his gauntlets CLICK into place. He dons the helmet-like  
cowl. His "cape" is in the form of a hard faceted MASK.

He stands- pulls two black boxes from his belt, CLICKS them  
together and UNFOLDS them into a RIFLE-LIKE DEVICE. Batman  
SCOPES a second, lower building. Adjusts a setting and  
FIRES- four times...

Four small STICKY BOMBS SLAP onto the glass of the lower  
building. They have visible timers which are COUNTING  
DOWN.

INT. LOBBY, L.S.I. HOLDINGS -- NIGHT

Lucius' cell phone GLOWS in the box under the Security  
Guard's desk. CHARACTERS race across the screen.

Then the monitor FLICKERS off, the lights DIM and all of  
the security doors in the front of the building OPEN at  
once.

The Guard grabs his radio- CALLS FOR HELP...

EXT. ROOFTOP OVERLOOKING L.S.I.HOLDINGS

Batman LAUNCHES into the glittering night, DROPPING from the tall tower... his pack BURSTS OPEN, becoming his BAT WINGS-he GLIDES down to the lower building, STREAKING around it, BANKING HARD to line up with a window in the rear...

INT. LAU'S OFFICE, L.S.I.HOLDINGS -- NIGHT

Lau is talking on the phone, staring at a profit projection on a flat screen monitor. Suddenly the room goes dark.

EXT. L.S.I.HOLDINGS -- CONTINUOUS

As Batman HURTLES towards the glass he COLLAPSES his wings, WRAPPING his cape around himself and CANNONBALLING THROUGH THE GLASS-

INT. LAU'S OFFICE SUITE, L.S.I.HOLDINGS -- NIGHT

-ROLLING across the floor in a flurry of broken glass...

INT. LAU'S OFFICE, TOP FLOOR, L.S.I.HOLDINGS -- NIGHT

Lau pulls out a HANDGUN.

INT. HALLWAY, L.S.I.HOLDINGS -- NIGHT

Lau steps into the hallway. His BODYGUARDS are waiting for him, carrying FLASHLIGHTS.

LAU (IN CHINESE)  
Where the hell are the cops?

BODYGUARD (IN CHINESE)  
Coming.

LAU (IN CHINESE)  
What the hell am I paying them for?

They head for the stairwell.

EXT. L.S.I.HOLDINGS -- NIGHT

A small ARMY of Hong Kong police lead by a HONG KONG DETECTIVE descends on the building.

INT. MEZZANINE LEVEL, L.S.I.HOLDINGS -- NIGHT

Lau and his men make their way out onto the mezzanine.

Across the room, something makes a CRASHING SOUND. Lau's men fan out, trying to cover the room with their flashlights.

Suddenly, one of the flashlights goes DARK. Then another. Someone SCREAMS.

Lau FIRES. Then FIRES again. The muzzle flash from his weapon STROBES the room.

EXT. L.S.I.HOLDINGS, HONG KONG -- NIGHT

Cops SWARM into the building. A LOBBY SECURITY GUARD directs the Hong Kong Detective where to go...

INT. OFFICE, L.S.I.HOLDINGS -- NIGHT

Lau LOCKS the door. RELOADS. The door is KICKED open. Lau FIRES. No one is there.

Lau stares, finger restless on the trigger. From his right- a NOISE. He turns and FIRES.

In the muzzle FLASH: Batman, bearing down on him like a demon.

Lau FIRES, and FIRES again as Batman TACKLES him. Batman pulls out a SMALL PACK- STRAPS it onto Lau-

The COUNTER on the sticky bombs hits 0-

The Hong Kong Detective and the Cops BURST into the room- the WALL AND CEILING BEHIND BATMAN AND LAU EXPLODES- revealing the dawn sky above Hong Kong.

The Detective looks around as he hears a LOW RUMBLE...

Batman JERKS the RIPCORDER on Lau's pack. Cops cower as a WEATHER BALLOON EXPLODES out of the pack, unreeling highest nylon. The Cops cock their weapons.

Lau looks up. Bemused. The weather balloon is two hundred feet up, swaying gently. The RUMBLE BUILDS...

Suddenly, a MASSIVE C-130 ROARS over. The large V on the front of the plane SNAGS the line- Lau and BATMAN are YANKED THROUGH THE HOLE IN THE CEILING-

Lau SCREAMS as he and Batman SOAR UP INTD THE DAWN SKY...

The Detective looks up. Batman and Lau are gone.

INT. GDRDDN'S DFFICE, MCU, GOTHAM CENTRAL -- DAY

Gordon is looking through case files. Ramirez walks in.

RAMIREZ

You're gonna want to see this.

EXT. MCU -- DAY

Gordon follows Ramirez through a CRDWD of excited cops. On the ground, trussed like a chicken- Lau. A sign taped to his chest: 'Please deliver to Lieutenant Gordon.'

INT. INTERRDGATIDN RDDM, MCU, GOTHAM CENTRAL -- DAY

Lau sits next to his sleazy lawyer, EVANS. Rachel walks in.

RACHEL

Give us the monsy and we'll deal.

LAU

The money is the only reason I'm still alive.

Rachel leans forward, speaking softly. Clearly.

RACHEL

You mean when they hear that you've helped us they're going to kill you?

EVANS

Are you threatening my client?

RACHEL

No, I'm just assuming your client's cooperation with this investigation. As will everyone.

(moves to the door)

Enjoy your stay in County, Mr.Lau.

LAU

Wait.

(Rachel stops)

I won't give you the money, but  
I'll give you my clients. All of  
them.

RACHEL  
You were a glorified accountant-  
what could you have on all of them  
that we could charge?

LAU  
I'm good with calculation- I  
handled all their investments. One  
big pot.

INT. OBSERVATION ROOM, MCU, GOTHAM CENTRAL -- DAY

Dent hits a buzzer. Turns to Gordon.

DENT  
I've got it. RICO. If their money  
was pooled we can charge all of  
them as one criminal conspiracy.

GORDON  
Charge them with what?

Rachel enters.

DENT  
In a RICO case if we can charge any  
of the conspirators with a felony-

RACHEL  
We can charge all of them with it.

Dent nods at Rachel, excited.

INT. INTERROGATION ROOM, MCU, GOTHAM CENTRAL -- DAY

Rachel comes back in.

RACHEL  
Mr.Lau, do you have details of this  
communal fund? Ledgers,  
notebooks...?

LAU  
(smiles)  
Immunity, protection and a  
chartered plane back to Hong Kong.

RACHEL

Once you've testified in open court. So with your clients locked up, what happens to all that money?

LAU

Like I said- I'm good with calculation.

INT. OBSERVATION ROOM, MCU, GOTHAM CENTRAL -- CONTINUOUS

Dent and Gordon watch Lau.

GORDON

He can't go to County. I'll keep him here in the holding cells.

DENT

What is this Gordon, your fortress?

GORDON

You trust them over State County?

DENT

I don't trust them here.

GORDON

Lau stays.

DENT

It's your cell, Lieutenant. Be right.

GORDON

I am, counselor.

EXT. CITY HALL -- DAY

Dent stands in front of a small crowd of reporters.

REPORTER

The Chinese government claims their international rights have been broken.

DENT

I don't know about Mr. Lau's travel arrangements...

INT. RESTAURANT -- CONTINUOUS

Dent's press conference plays on a TV in the corner.

DENT

(grins)

...but I'm sure glad he's back.

Maroni and the Chechen are watching the TV.

CHECHEN

I put word out. We hire the clown.

(off look)

He was right. We have to fix real problem. Batman.

Maroni shakes his head. Spots Gordon walking over dangling a pair of handcuffs. Nods at the TV.

GORDON

Our boy looks good on the tube.

MARONI

You sure you want to embarrass me in front of my friends, Lieutenant?

GORDON

Don't worry, they're coming, too.

Gordon points out the window to a PRISON BUS.

EXT. VARIOUS DOWNTOWN AND OUTLYING LOCATIONS -- DAY

Prison buses in every neighborhood. COPS load them with CRIMINALS. Stephens puts Crime Boss in a prison bus.

INT. COURTROOM A, GOTHAM MUNICIPAL COURTHOUSE -- DAY

JUDGE SURRILLO reads the list of charges.

JUDGE SURRILLO

...849 counts racketeering, 246 counts fraud, 87 counts conspiracy murder...

Judge Surrillo turns the page. A PLAYING CARD sits there. A Joker. He glances at it, curious, puts it to one side.

JUDGE SURRILLO (CONT'D)

...how do the defendants plead?

An ARMY of DEFENSE LAWYERS joatle YELLING ALL AT ONCE. The STENOGRAPHER looks up, helpless.

INT. MAYOR'S OFFICE -- DAY

The MAYOR, COMMISSIONER LOEB, and Gordon look up as Dent enters.

MAYOR

DENT! What was that circus?!

DENT

I asked Gordon to make aome  
arsssts.

LOEB

(looks at report)  
Five hundred and-

GORDON

Forty-nine, sir.

Gordon nods at Dent, approving. Dent grins back.

MAYOR

549 criminals at once?! How did  
you convince Surrillo to hear thia  
farce?

DENT

She shares my enthusiasm for  
justice. After all, she ia a  
judga.

MAYOR

Even if you blow enough amoke to  
gat convictiona out of Surrillo,  
you'll set a new record at appeals  
for quickest kick in the ass.

DENT

It won't matter. The head guys  
make bail, sure... but ths mid-  
level guys, they can't, and they  
can't afford to be off the streets  
long enough for trial and appeal.  
They'll cut deala that includa aome  
jail time. Think of all you could  
do with 18 months of clean streets.

The Mayor waves Gordon and Loeb out.

MAYOR

The public likes you, Dent. That's the only reason this might fly. But that means it's on you. They're all coming after you, now. Not just the mob... politicians, journalists, cops- anyone whose wallet's about to get lighter. Are you up to it?

(Dent smiles)

You better be. They get anything on you... those criminals will be back on the streets...

The Mayor turns to look out of the window. Quiet.

MAYOR (CONT'D)

Followed swiftly by you and me-

BANG! A DARK SHAPE CRACKS THE GLASS in front of the Mayor's nose. Dent rushes to the window, looks out...

EXT. CITY HALL -- CONTINUOUS

PEDESTRIANS look up, someone SCREAMS, someone POINTS- five stories up... SWINGING from a FLAGPOLE...

BATMAN. HANGING BY HIS NECK. DEAD. His mouth roughly painted in a DEMONIC CLOWN SMILE.

EXT. CITY HALL -- MOMENTS LATER

"Batman" is lowered from the flagpole. The same fake Batman we saw earlier. Pinned to his chest by a KNIFE, a PLAYING CARD. A Joker. Gordon moves closer to the body. The card has writing on it: **WILL THE REAL BATMAN PLEASE STAND UP?**

INT. WAYNE PENTHOUSE -- DAY

Wayne comes into the living room, excited. Alfred is supervising party arrangements.

WAYNE

How's it going?

ALFRED

I think your fundraiser will be a great success, sir.

WAYNE

And why do you think I wanted to hold a party for Harvey Dent?

ALFRED

I assumed it was your usual reason for socialising beyond myself and the scum of Gotham's underbelly: to try and impress Miss Dawes.

WAYNE

Very droll. But very wrong. Actually it's Dent. You see-

Wayne trails off as he spots something on the television: the Batman *HANGING* as from a *NEWS CAMERA*, framed by a graphic that reads '*BATMAN DEAD?*'. Image cuts to Engel in the studio.

ENGEL (V.O.)

...Police released video footage found concealed on the body. Sensitive viewers be aware: it is disturbing.

The image cuts to a *BLINDFOLDED MAN*, wearing a makeshift Batman costume- face bruised and bloody. In some kind of bright, fluorescent-lit room.

VOICE (O.S.)

Tell them your name.

MAN

(weak)

Brian Douglas.

VOICE (O.S.)

Are you the real Batman?

MAN

No.

VOICE (O.S.)

Why do you dress up like him?

MAN

He's a symbol... that we don't have  
to be afraid of a man like you...

VOICE (O.S.)  
But you do, Brian. You really do.  
You think the Batman's helped  
Gotham?

Brian nods uncertainly...

VOICE (CONT'D)  
Look at me.  
(Brian looks down)  
LOOK AT ME!

Brian looks up- the camera swings into the face of the  
Joker, in CHALK-WHITE makeup, RED SMEAR of lipstick on his  
SCARS.

THE JOKER  
This is how crazy Batman's made  
Gotham. You want order in Gotham?  
Batman has to go. So...  
(leans in)  
Batman must take off his mask, and  
turn himself in. Every day he  
doesn't... people will die.  
Starting tonight. I'm a man of my  
word.

The tape cuts to STATIC.

Wayne turns to Alfred. Silent.

INT. WAYNE PENTHOUSE -- EVENING

Dent and Rachel get off the lift. Dent stands in awe of  
the penthouse and its guests.

RACHEL  
Now I've seen it all: Harvey Dent,  
scourge of the underworld, scared  
stiff by the trust fund brigade.

Rachel spots someone and darts off-

DENT  
Rachel-

ALFRED (O.S.)

A little liquid courage, Mr.Dent?

Dent turns to see Alfred with drinks on a silver tray.

DENT

Thanks. Alfred, right?

ALFRED

Yes, sir.

DENT

Rachel talks about you all the time. You've known her her whole life?

ALFRED

Not yet, sir.

DENT

(smiles, surveys crowd)

Any psychotic ex-boyfriends I should be aware of?

ALFRED

Oh, you have no idea.

Alfred leaves Dent standing there, puzzled. The crowd REACTS as a LOUD ROAR drowns conversation... Dent looks out-

EXT. HELIPAD, WAYNE PENTHOUSE -- CONTINUOUS

Wayne's CHOPPER touches down. He spills out with a clutch of SUPERMODELS...

INT. WAYNE PENTHOUSE -- CONTINUOUS

Wayne and the supermodels come out of the helipad elevator-

WAYNE

Sorry, I'm late- glad you started without me! Where's Rachel?!

Rachel cringes slightly. Wayne spots her.

WAYNE (CONT'D)

Rachel Dawes- my oldest friend. When she told me she was dating Harvey Dent, I had one thing to

say... the guy from those god-  
swful campaign commercials?

Laughter. Dent shifts, embarrassed.

WAYNE (CONT'D)  
'I Beliaive in Harvsv Dant.' Nica  
slogan, Harvey. Certainly caught  
Rachel's attention. But then I  
startad paying attantion to Harvey,  
and all he's been doing as our new  
D.A., and you know what? I believe  
in Harvey Dent. On his watch,  
Gotham can feel a little aafar. A  
little mora optimistic. So get out  
your checkbooks and let's make sure  
that he stays right where all of  
Gotham wants him...

(raises his glass)  
All except Gotham'a criminals, of  
coursa. To tha face of Gotham's  
bright future~ Harvey Dent.

Dent smiles accepting the toast.

INT. CORRIDOR, MCU -- EVENING

Ramirez catches up to Gordon, holding paperwork.

RAMIREZ  
That Joker card pinned to tha body?  
Forensics found three sets of  
D.N.A..

GORDON  
Any matchas?

RAMIREZ  
All three.

Gordon STOPS. Turns to face har.

RAMIREZ (CONT'D)  
The D.N.A. belongs to Judge  
Surrillo, Harvey Dant and  
Commissioner Loeb.

GORDON

The Joker's telling us who he's  
targeting- get a unit to Surrillo's  
house, tell Wuertz to find Dent-  
get them both into protective  
custody. Where's the Commissioner?

RAMIREZ

City hall.

GORDON

Seal the building. No one in or  
out till I get there.

EXT. DECK, WAYNE'S PENTHOUSE -- EVENING

Wayne walks out to the edge of the balcony and looks over  
Gotham. Hears someone behind him- Rachel.

RACHEL

Harvey may not know you well enough  
to understand when you're making  
fun of him. But I do.

WAYNE

(shakes his head)  
I meant every word.

Wayne moves closer to Rachel. Takes her arm.

WAYNE (CONT'D)

The day you once told me about, the  
day when Gotham no longer needs  
Batman. It's coming.

Rachel looks at Wayne. Conflicted. He moves closer.

RACHEL

You can't ask me to wait for that.

Wayne takes Rachel's arms, looking at her, excited.

WAYNE

It's happening now- Harvey *is* that  
hero. He locked up half the city's  
criminals, and he did it without  
wearing a mask. Gotham needs a  
hero with a face.

DENT (O.S.)

You can throw a party, Wayne, I'll  
give you that. Thanks again. Mind  
if I borrow Rachel?

Rachel glances back at Wayne as she moves to Dent. Wayne  
watches them head inside.

EXT. STREET, GOTHAM HEIGHTS -- EVENING

Two MEN in suits knock at a Brownstone. The door is opened  
by Judge Surrillo. The two Men hold up BADGES.

EXT. CITY HALL -- EVENING

Gordon enters through a tight police presence at the doors.

INT. POLICE COMMISSIONER'S OFFICE -- EVENING

Gordon enters to find Loeb, flanked by armed cops.

COMMISSIONER LOEB

Gordon, what are you playing at?

Gordon checks the window. Turns to his men.

GORDON

We're secure. I want a floor-by-  
floor search of the entire  
building.

(turns to Loeb)

I'm sorry, sir. We believe the  
Joker has made a threat against  
your life.

LOEB

Gordon, you're unlikely to discover  
this for yourself, so take my word--  
the Police Commissioner earns a lot  
of threats...

Loeb pulls a bottle of whisky and a tumbler from a drawer.

LOEB (CONT'D)

I found the appropriate response to  
these situations a long time ago...

EXT. STREET, GOTHAM HEIGHTS -- EVENING

The second man is waiting by the Judge's car.

SURRILLO  
Gordon wants me to go right now?

MAN 1  
These are dangerous people, Judge.  
Even we don't know where you're  
going.

He hands Surrillo a sealed envelope. Opens the car door.

MAN 2  
Get in, then open the envelope.  
It'll tell you where you're headed.

Surrillo climbs in. Watches them drive away. She opens  
the envelope- pulls out a sheet of paper. One word on it:

'UP'.

Surrillo's car EXPLODES, heaving the car upwards on a  
FIREBALL.

A PASSERBY is thrown to the ground. After a moment,  
BURNING DEBRIS flutters down on him. PLAYING CARDS.  
JOKERS.

INT. POLICE COMMISSIONER'S OFFICE -- CONTINUOUS

Loeb pours himself a glass of whisky.

LOEB  
You get to explain to my wife why  
I'm late for dinner, Lieutenant.

GORDON  
Sir, the Joker card had a trace of  
your D.N.A. on it-

A bang at the door. Gordon pulls his weapon, then opens  
it.

STEPHENS  
Just the normal number of bad guys  
in the building- and they're all  
city employees. Here's a list.

LOEB  
How'd they get my D.N.A.?

Gordon looks at Stephens's list.

GORDON  
Somebody with access to your house  
or office must've lifted a tissue  
or a glass...

Gordon, realizing, spins around-

GORDON (CONT'D)  
Wait-

But Loeb is already CHOKING- he DROPS his tumbler onto the  
desk- the spilled whiskey is SMOKING, eating into the wood.

GORDON (CONT'D)  
Get a medic!

Loeb COLLAPSES.

INT. KITCHEN, WAYNE PENTHOUSE -- EVENING

Dent pulls Rachel into the kitchen, away from the crowd.

DENT  
You cannot leave me on my own with  
these people.

RACHEL  
The whole mob's after you and  
you're worried about these guys?

DENT  
Compared to this, the mob doesn't  
scare me. Although, I will say:  
them gunning for you makes you see  
things clearly.

RACHEL  
Oh, yeah?

DENT  
Yeah. It makes you think about  
what you couldn't stand losing.  
And who you want to spend the rest  
of your life with...

Rachel looks at Dent. Smiles.

RACHEL  
The rest of your life, huh? That's  
a pretty big commitment.

DENT  
Not if the mob has their way.

RACHEL  
Oon't.

DENT  
Okay. Let's be serious. What's  
your answer?

Rachel looks at him.

RACHEL  
I don't have an answer.

INT.LIVING ROOM, PENTHOUSE -- NIGHT

Half the guests are on their cell phones. An ASSISTANT DA  
turns to his COLLEAGUE.

ASSISTANT OA  
Surrillo and Loeb?

There is a KNOCK at the front door. Alfred opens it it  
find Oetective Wuertz, who holds up his badge. Alfred  
beckons him in- there is a SHOTGUN at the back of his head  
held by-

The Joker- purple suit, make up. With friends. The Joker  
SMASHES Wuertz over the head- steps over him, RACKING the  
shotgun.

THE JOKER  
Good evening. We're the  
entertainment.

INT. KITCHEN, WAYNE PENTHOUSE -- NIGHT

Rachel is looking at Dent. Torn.

DENT  
I guess no answer isn't "no".

RACHEL  
I'm sorry, Harvey. I just...

DENT

It's someone else, isn't it?

Wayne is moving up behind him. Fast-

DENT (CONT'D)

Just tell me it's not Wayne. The  
guy's a complete-

Rachel's eyes go wide as Wayne puts Dent in a SLEEPER HOLD-

RACHEL

What are you doing?!

Dent SLUMPS, unconscious in Wayne's arms.

WAYNE

They've come for him.

From the main room- A SHOTGUN BLAST followed by SCREAMS.  
Wayne stuffs Dent in a closet- puts a mop through the  
handles. Rushes past Rachel-

WAYNE (CONT'D)

Stay hidden.

INT. LIVING ROOM, WAYNE'S PENTHOUSE -- NIGHT

The Joker and his THUGS pour into the room, weapons raised.

INT. HALLWAY, WAYNE PENTHOUSE -- NIGHT

A THUG appears in front of Wayne, toting a shotgun.

THUG

Hands up, pretty boy.

Wayne FLIPS the shotgun around in the man's hands- uses it  
as a fulcrum to SNAP his forearm- SMASHES him in the jaw  
with the stock without breaking step, field stripping the  
shotgun and tossing the pieces in different directions.

INT. LIVING ROOM, WAYNE'S PENTHOUSE -- NIGHT

The Joker moves through the terrified guests. Smiling.

THE JOKER

I only have one question: where is  
Harvey Dent?  
(silence)

I'll settle for his loved ones...

A distinguished Gentleman steps into the Joker's path.

GENTLEMAN

We're not intimidated by thugs.

The Joker stops. Stares at the man. SMILES  
AFFECTIONATELY.

THE JOKER

You know, you remind me of my  
father.

(GRABS him)

I hated my father.

The Joker has his blade in the Gentleman's mouth.

RACHEL (O.S.)

Stop!

The Joker drops the Gentleman. Turns to Rachel.

THE JOKER

Hello, beautiful. You must be  
Harvey's squeeze.

(runs his knife  
across her cheek)

And you are beautiful. You look  
nervous- it's the scars isn't it?  
Wanna know how I got them? I had a  
wife, beautiful like you. Who  
tells me I worry too much. Who  
says I need to smile more. Who  
gambles. And gets in deep with the  
sharks. One day they carve her  
face, and we've got no money for  
surgeries. She can't take it.

(presses knife into  
her cheek)

I just want to see her smile again.  
I just want her to know I don't  
care about the scars. So I put a  
razor in my mouth and do this to  
myself... And you know what?

(starts laughing)

She can't stand the sight of me...  
(or crying)

She leaves! See, now I see the  
funny side. Now I'm always  
smiling.

INT. MASTER BEDROOM, WAYNE PENTHOUSE -- NIGHT

Wayne walks in. A COUPLE are hastily putting themselves  
back together, alerted by the noise.

MALE GUEST

What's going on out there, Wayne?

Wayne doesn't answer. He walks into a closet and pulls at  
a FALSE WALL. Wayne steps into the safe room.

FEMALE GUEST

Thank god- you've got a panic room.

The door SLAMS shut and seals with a HISS.

MALE GUEST

Wait! You can't-

FEMALE GUEST

You've got to be kidding me.

INT. LIVING ROOM, WAYNE'S PENTHOUSE -- NIGHT

The Joker raises his knife from Rachel's cheek. She SLUGS  
him. He smiles.

THE JOKER

A little fight in you. I like  
that.

BATMAN (O.S.)

Then you're going to love me.

The Joker turns. Batman catches him with a BLOW, pins him  
down and DISARMS him- the Joker's men jump him- Batman  
takes them out two at a time- DISARMING thugs- BREAKING  
forearms- the Joker CLICKS a BLADE from the toe of his shoe  
and KICKS- JABBING BETWEEN THE PLATES OF ARMOR covering  
Batman's ribcage-

Batman HURLS the Joker across the room. One of the Joker's  
men LUNGES- Batman lays him out cold.

The Joker has another knife pressed to Rachel's neck.

BATMAN (CONT'D)  
Drop the knife.

THE JOKER  
Sure. Just take off your mask and  
show us all who you are...

Rachel shakes her head at Batman. The Joker raises his  
shotgun to the side and BLOWS OUT the pane of glass next to  
him. The Joker dangles Rachel out the window.

BATMAN  
Let her go.

THE JOKER  
(laughs)  
Very poor choice of words...

He lets her DROP- Rachel falls onto a SLOPING GLASS ROOF-  
sliding towards the edge Batman DIVES after her-

OMITTED

EXT. BUILDING -- NIGHT

They DROP- Batman FIRES his grapple, SNAGGING Rachel's  
ankle- activates one wing of his cape- They SPIN and SLOW-  
Batman envelopes Rachel- they SLAM into the hood of a  
passing taxi.

INT. TAXI -- CONTINUOUS

The DRIVER SCREAMS as Batman and Rachel hit the roof- ROLL  
down the windshield- onto the pavement. Alive.

INT. CAR -- CONTINUOUS

The Joker looks back as his car SPEEDS away. He's  
breathing hard, EXHILARATED. He touches the blood running  
down his sweaty white makeup. SMACKS the back of the  
driver's seat-

DRIVER  
What do we do about Dent?

THE JOKER  
I'm a man of my word.

EXT. TAXI -- CONTINUOUS

Rachel opens her eyes.

BATMAN  
Are you alright?

RACHEL  
Let's not do that again, okay?  
(looks around)  
Is Harvey-?

BATMAN  
He's safe.

Rachel lies back, breathing. Looks up at Batman.

RACHEL  
Thank you.

INT. MAJOR CRIMES UNIT, GOTHAM CENTRAL -- DAY  
STEPHENS is talking to Gordon, subdued.

STEPHENS  
Jim, it's over.

GORDON  
As long as they don't get to Lau,  
we've cut off their funds.

STEPHENS  
But the prosecution's over.

STEPHENS (CONT'D)  
No-one's standing up in front of a  
Judge while judges and police  
commissioners are getting blown  
away.

GORDON  
What about Dent?

STEPHENS  
If he's got any sense, Dent's  
halfway to Mexico by now.

The door BURSTS OPEN. Dent. Fire in his eyes.

DENT  
So where do you keep your trash?

Gordon looks at Dent. Impressed.

INT. SPECIAL HOLDING AREA, MCU, GOTHAM CENTRAL -- DAY

Lau looks up as Dent walks in, holding a bullet proof vest.

DENT

You're due in court- I need you  
alive long enough to get you on the  
record.

LAU

No way. You can't protect me- you  
can't even protect yourselves.

Dent THROWS the heavy vest at Lau.

DENT

Refuse to cooperate on the stand-  
you won't be coming back here-  
you'll go to county. How long do  
you calculate you'll last in there?

INT. BAT-BUNKER -- DAY

Wayne sits at his video screens- they all play the Joker's  
video with different IMAGE TREATMENTS and SOUND TUNINGS.  
Wayne turns to Alfred. Indicates the screens.

WAYNE

Targeting me won't get their money  
back. I knew the mob wouldn't go  
down without a fight, but this is  
different. They've crossed a line.

ALFRED

You crossed it first, sir. You've  
hammered them, squeezed them to the  
point of desperation. And now, in  
their desperation they've turned to  
a man they don't fully understand.

Wayne gets up from his monitors, raises the bat-cabinet.

WAYNE

Criminals aren't complicated,  
Alfred. We just have to figure out  
what he's after.

---

ALFRED

Respectfully, Maeter Wayne, perhaps  
this is a man you don't fully  
understand, either.

ALFRED (CONT'D)

(looks at Wayne)

I was in Burma. A long time ago.  
My friends and I were working for  
the local government. They were  
trying to buy the loyalty of tribal  
leaders, bribing them with precious  
stones. But their caravans were  
being raided in a forest north of  
Rangoon by a bandit. We were asked  
to take care of the problem, so we  
started looking for the stones.  
But after six months, we couldn't  
find anyone who had traded with  
him.

WAYNE

What were you missing?

ALFRED

One day I found a child playing  
with a ruby as big as a tangerine.  
(shrugs)  
The bandit had been throwing the  
stones away.

WAYNE

So why was he stealing them?

ALFRED

Because he thought it was good  
sport. Because some men aren't  
looking for anything logical, like  
money... they can't be bought,  
bullied, reasoned or negotiated  
with.

(grave)

Some men just want to watch the  
world burn.

Wayne stares at Alfred. Reaches for the bat-suit.

EXT. SKYLINE OF GOTHAM -- DAWN

MOVING over the city we hear myriad RADIO CALLS going out over the ether. CLOSE IN on a lonely figure on top of a skyscraper. The Batman. Listening with his million dollar earpieces. From the babble, ONE VOICE EMERGES.

DISPATCH (O.S.)

Your name, sir. Please state-

VOICE (O.S.)

8th at orchard. You'll find  
Harvey Dent there.

EXT. 8TH STREET AT ORCHARD -- DAWN

An UNMARKED and a SQUAD CAR screech to a halt. Gordon and Ramirez get out, lead two UNIFORMS into the building.

INT. APARTMENT, EIGHT AVE. -- CONTINUOUS

The door SMASHES OPEN, Gordon- gun drawn- takes in the scene. TWO DEAD MEN sitting at the kitchen table. They each have a HAND OF CARDS, as if in the middle of a game. ALL JOKERS. Gordon and Ramirez STARE at the CRUDE LEERS carved into their faces. Their DRIVERS LICENSES are pinned to their chests.

VOICE (O.S.)

Check the names.

GORDON (O.S.)

(checks licenses)

Patrick Harvey. Richard Dent...

RAMIREZ

Harvey Dent.

BATMAN

I need ten minutes with the scene  
before your men contaminate it.

RAMIREZ

Us contaminate it? It's because of  
you that these guys are dead in the  
first place-

GORDON

Ramirez.

She stands down. Batman moves past the bodies to the wall.  
Finds an embedded stray bullet. He pulls a SAWING DEVICE

from his belt- THRUSTS it into the wall and starts cutting around the bullet.

GORDON (CONT'D)

That's a brick- you're gonna try and take ballistics off a shattered bullet?

BATMAN

No. Fingerprints.

Ramirez looks at Gordon. Is he serious? Gordon points-

GORDON

Whatever you're gonna do, do it fast, 'cos we know his next target...

Batman looks- a campaign poster: RE-ELECT MAYOR GARCIA. The Mayor's image has a MANIC CLOWN'S GRIN and "HA,HA,HA".

INT. FOX'S OFFICE, WAYNE ENTERPRISES -- DAY

Fox is at his desk. Reese enters.

FOX

What can I do for you, Mr. Reese?

REESE

You asked me to do the diligence on the L.S.I. Holdings deal again. I found irregularities.

FOX

Their CEO is in police custody.

REESE

Not with their numbers. With yours. A whole division of Wayne Industries disappeared, overnight. So I went down to the archives and started pulling old files.

He pulls out a folded blueprint. Slides it across the desk.

REESE (CONT'D)

My kids love the Batman. I thought he was pretty cool, too. Out there, kicking some ass.

Fox picks up the piece of paper. Unfolds it. It's an old BLUEPRINT. The image is unmistakable: THE TUMBLER.

REESE (CONT'D)

Changes things when you know it's  
just a rich kid playing dress up.

Reese points to the approval box in the corner of the page.

REESE (CONT'D)

Your project. Don't tell me you  
didn't recognize your baby  
pancaking cop cars on the evening  
news. Now you're getting sloppy.  
Applied Sciences was a small, dead  
department- who'd notice? But now  
you've got the entire R and D  
department burning cash, claiming  
it's related to cell phones for the  
army. What are you building him  
now? A rocket ship?

REESE (CONT'D)

I want ten million a year. For the  
rest of my life.

Fox looks at him. Even. Folds up the blueprint.

FOX

Let me get this straight. You  
think that your client, one of the  
wealthiest and most powerful men in  
the world, is secretly a vigilante

Good luck.

Reese looks at it. Then at Fox. Swallows. Slides it  
back.

RACHEL

Bruce. We can trust Bruce Wayne.

DENT

Rachel, I know he's your friend  
but-

RACHEL

Trust me, Harvey, Bruce's penthouse

Someone knows where he is.

Maroni looks up at Batman. Sneering.

MARONI  
No one's gonna tell you anything-  
they're wise to your act- you got  
rules... the Joker, he's got no  
rules. No one's gonna cross him  
for you. You want this guy, you  
got one way. And you already know  
what that is. Just take off that  
mask and let him come find you.

Batman DROPS Maroni.

MARONI (CONT'D)  
Or you want to let a couple more  
people get killed while you make up  
your mind?

INT. BASEMENT, CONDEMNED BUILDING -- NIGHT

Dent shows the Joker's Thug a GUN. Bullets. Loads the  
gun. SHOVES it in his face-

DENT  
You wanna play games?

Dent PUSHES the gun against the thug's head with REAL  
MALICE. Pulls it away and FIRES. The Thug FLINCHES. Dent  
puts the gun barrel against the thug's temple-

JOKER'S THUG  
(rattled)  
You wouldn't...

And pulls his lucky coin out of his pocket.

DENT  
No. I wouldn't. That's why I'm  
not going to leave it up to me.  
(shows him coin)  
Heads- you get to keep your head.  
Tails... not so lucky. So, you  
want to tell me about the Joker?

The Thug, scared, says nothing. Dent FLICKS the coin into the air. SLAPS it onto the back of his gun hand (aiming with wrist horizontal). Dent shows him the coin. Heads. The Thug exhales, SHAKING.

DENT (CONT'D)

Go again?

JOKER'S THUG

(sobbing)

I don't know anything!

DENT

You're not playing the odds,  
friend.

Dent tosses the coin again. This time IT DOESN'T LAND.  
Dent looks up. Batman is there.

BATMAN

You'd leave a man's life to chance?

DENT

Not exactly.

BATMAN

His name's Schiff, Thomas. He's a  
paranoid schizophrenic, a former  
patient at Arkham. The kind of  
mind the Joker attracts.

Batman moves away from Schiff.

BATMAN (CONT'D)

What do expect to learn from him?

Dent is shivering with frustration.

DENT

The Joker killed Gordon- and, and  
Loeb. He's going to kill Rachel...

BATMAN

You're the symbol of hope that I  
could never be. Your stand against  
organized crime is the first  
legitimate ray of light in Gotham  
for decades. If anyone saw this,  
everything would be undone- all the  
criminals you got off the streets

would be released. And Jim Gordon  
will have died for nothing.

Batman hands Dent his lucky coin.

BATMAN (CONT'D)  
You're going to call a press  
conference. Tomorrow morning.

DENT  
Why?

BATMAN  
No one else will die because of me.  
Gotham is in your hands, now.

DENT  
You can't! You can't give in!

But Batman is gone.

INT. BEDROOM, WAYNE PENTHOUSE -- NIGHT

Rachel watches Gotham through the window. Wayne enters.

RACHEL  
Harvey called. He says Batman is  
going to turn himself in.

WAYNE  
I have no choice.

RACHEL  
You honestly think it's going to  
stop the Joker from killing?

WAYNE  
Perhaps not. But I've got enough  
blood on my hands. I've seen, now,  
what I would have to become to stop  
men like him.

Rachel looks at Wayne. She cannot help him.

WAYNE (CONT'D)  
You once told me that if the day  
came when I was *finished*...

Wayne moves towards her.

WAYNE (CONT'D)  
We'd be together.

RACHEL  
Bruce, don't make me your one hope  
for a normal life-

Wayne takes her in his arms.

WAYNE  
But did you mean it?

RACHEL  
Yes.

They kiss. Then separate. She looks sadly into his eyes.

RACHEL (CONT'D)  
But they won't let us be together  
after you turn yourself in.

Wayne nods. Leaves. She watches him go.

INT. BAT-BUNKER -- DAWN

Alfred shovels DOCUMENTS into an incinerator- blueprints,  
designs, files. He pauses, looking down at a book.

ALFRED  
Even the logs?

WAYNE  
Anything that could lead back to  
Lucius or Rachel.

Alfred tosses the book onto the fire. STARES at Wayne.

WAYNE (CONT'D)  
People are dying, Alfred. What  
would you have me do?

Alfred looks into Wayne's eyes with a fearsome gaze.

ALFRED  
Endure, Master Wayne. Take it.  
They'll hate you for it, but that's  
the point of Batman... he can be  
the outcast. He can make the  
choice no one else can face. The  
right choice.

Wayne shakes his head.

WAYNE

Today I've found out what Batman  
can't do. He can't endure *this*.

WAYNE

(rueful smile)

Today you get to say 'I told you  
so'.

ALFRED

Today, I don't want to.

(beat)

Although I did bloody tell you.

Wayne sinks the Bat-suit, Alfred closes the incinerator.  
They head for the lift.

ALFRED (CONT'D)

I suppose they'll lock me up as  
well. Your accomplice.

WAYNE

Accomplice? I'm going to tell them  
the whole thing was your idea.

They power down, leaving the Bat-bunker in darkness.

INT. PRESS ROOM, SUPERIOR COURT -- DAY

A capacity crowd of REPORTERS, COPS, and PUBLIC. Dent is  
at the podium. Wayne sits in the crowd.

DENT

Ladies and Gentlemen, thank you for  
coming. I've called this press  
conference for two reasons.  
Firstly, to assure the citizens of  
Gotham that everything that can be  
done over the Joker killing is  
being done. Secondly, because the  
Batman has offered to turn himself  
in-

The crowd REACTS-

HECKLER

So where is he?!

DENT

But first. Let's consider the situation: should we give in to this terrorist's demands? Do we really think that-

REPORTER

You'd rather protect an outlaw vigilants than the lives of citizens?!

The crowd noisily assents. Dent calmly motions quiet.

DENT

This Batman is an outlaw...

INT. WAYNE PENTHOUSE -- CONTINUOUS

Rachel is watching the press conference on TV.

DENT (O.S.)

*But that's not why we're demanding he turn himself in. We're doing it because we're scared. We've been happy to let Batman clean up our streets for us until now-*

INT. PRESS ROOM, SUPERIOR COURT -- CONTINUOUS

HECKLER

Things are worse than ever!

Wayne looks at the Heckler. At the angry crowd. Dent leans over the podium. Impassioned.

DENT

Yes. They are. But *the night is darkest just before the dawn*. And I promise you, *this dawn is coming*.  
(the crowd quiets)

One day, the Batman will have to ~~answer for the laws he's broken-~~  
but to *us*, not to this madman.

The crowd seems moved by his words, then, a CHANT-

COP HECKLER

NO MORE DEAD COPS!!

Appreciative noise.

REPORTER  
WHERE IS THE BATMAN?

People take up the chant. Dent has lost them. He knows it.

DENT  
So be it.  
(turns to officers)  
Take the Batman into custody.

At this, a HUSH DESCENDS. Wayne is sitting towards the back. Hungry eyes scan the room. Wayne starts to rise...  
DENT OFFERS HIS OWN WRISTS TO THE OFFICERS-

DENT (CONT'D)  
I am the Batman.

A beat. Wayne starss.

INT. WAYNE PENTHOUSE -- CONTINUOUS

Rachel STARES as Dent is arrested on TV. Appalled.

INT. WAYNE PENTHOUSE -- DAY

Rachel comes up to Alfred. Upset.

RACHEL  
Why is he letting Harvey do this,  
Alfred?

ALFRED  
I don't know. He went down to the  
press conference-

RACHEL  
And just stood by?!

ALFRED  
Perhaps both Bruce and Mr.Dent  
believe that Batman stands for  
something more important than a  
terrorist's whims, Miss Dawes, even  
if everyone hates him for it.  
That's the sacrifices he's making-  
to not be a hero. To be something  
more.

RACHEL  
Well, you're right about one thing-  
letting Harvey take the fall is not  
heroic.

Rachel holds out an ENVELOPE.

RACHEL (CONT'D)  
You know Bruce best, Alfred...  
give it to him when the time is  
right.

ALFRED  
How will I know?

RACHEL  
It's not sealed.

Alfred takes the envelope. Rachel gives him a kiss.

RACHEL (CONT'D)  
Goodbye, Alfred.

ALFRED  
Goodbye, Rachel.

DENT  
I'm sorry, I didn't have time to

RACHEL  
Don't offer yourself as bait,  
Harvey.

DENT  
They're transferring me to central  
holding. This is the Joker's  
chance, and when he attacks, Batman  
will take him down.

RACHEL  
No. This is too dangerous-

The Detective knocks. Dent rises.

EXT. COURTYARD MCU -- EVENING

Detectives stare at Dent as he is led, shackled, to the waiting CONVOY. Stephens begins CLAPPING- a handful join in, but most remain silent. Rachel follows him to the back of an armored vehicle.

RACHEL

DENT

How do you know what he's thinking?

RACHEL

(beat)

I just do, okay? Harvey, this isn't just about you, what about all the people counting on you to turn this city around? Tell everyone the truth-

Guess it was him.

EXT. PARKSIDE -- NIGHT

The Bat-pod RACES straight at the Joker's truck- FIRES A HARPOON at the Joker's truck- it IMPACTS low, below the bumper-

INT. TRUCK -- CONTINUOUS

The Joker's Thug DUCKS, then comes back up, beaming.

JOKER'S THUG

He missed!

EXT. PARKSIDE -- CONTINUOUS

Batman SWERVES past the Joker's truck, SLALOMS, wrapping the CABLES around a LAMP POST, SPINNING to a halt to watch...

EXT. PARKSIDE -- CONTINUOUS

The cable goes TAUT, RIPPING one post from its foundation- the TRUCK'S FRONT WHEELS CATCH, FLIPPING IT END OVER END...

The Joker crawls from the wreckage. He jumps over the median and starts waving his pistol at oncoming traffic. Batman GUNS the bat-pod and rides it up and over the median.

INT. ARMORED CAR -- NIGHT

The Driver slows the car, pulls to the side.

SHOTGUN SWAT

What the hell are you doing?

EXT. PARKSIDE -- NIGHT

The Joker walks towards the Bat-pod, which SPEEDS towards him. He is FIRING his gun RANDOMLY at the oncoming traffic.

THE JOKER

Hit me. Come on. Hit me.

Batman watches as the Joker holds out his arms. Waiting for impact. There is no room to go around him.

Batman LOCKS UP THE BRAKES.

The Joker watches as Batman DUMPS the bike, rather than smashing into him. Batman SLAMS into the wall.

The Joker's thug reach Batman first. He is unconscious. The first Thug pulls at the mask. An ELECTRIC SHOCK from the bat-suit THROWS him back. The Joker LAUGHS. Flicks his switchblade. Crouches-

VOICE (O.S.)

Drop it.

THE JOKER

Just give me a second.

The gun is COCKED. The Joker drops the knife. Sits. Looks back. Behind them is the armored car. The man standing over him is the Driver. He pulls off his helmet.

It's JIM GORDON. Back from the dead.

GORDON

We got you, you son of a bitch.

INT. ARMORED CAR -- MOMENTS LATER

Dent looks up as the door swings open to reveal Gordon. Dent GRINS.

DENT

Lieutenant, you do like to play it pretty close to the chest...

GORDON

We got him, Barvey.

Dent nods. Respect in his eyes. They shake hands.

EXT. PARKSIDE -- NIGHT

A small army of cops have sealed off the roadway. Gordon pulls away in the squad car containing the Joker.

REPORTERS clamor for an interview with Dent, who is being helped out of the van by the SWATs. Ramirez pushes through the pack, shoving reporters aside.

RAMIREZ

Let him be! He's been through enough-

Dent follows Ramirez to a squad car- Wuertz is in the driver's seat. Dent smiles at Ramirez as she opens the rear door.

DENT

Thanks, detective- I've got a date with a pretty upset fiancée.

RAMIREZ

I figured, counselor.

Ramirez shuts the door on Dent. Signals Wuertz to pull out.

INT. HOLDING, MCU, GOTHAM CENTRAL -- NIGHT

The Joker sits in a holding cage. His makeup has run, his clothes a mess- but he calm lends him an odd dignity. COPS SMASH their night sticks against the bare near the Joker's head. The Joker does not flinch.

GORDON

Stand away! All of you. I don't want anything for his mob lawyer to use, understand? Handle this guy like he's made of glass.

The Mayor walks in. Shakes Gordon's hand.

MAYOR

Back from the dead.

GORDON

I couldn't chance my family's safety.

The Mayor looks over at the Joker in his cage.

MAYOR

What do we got?

GORDON

*Nothing.* No matches on prints,  
DNA, dental. Clothing is custom,  
no labels. Nothing in his pockets  
but knives and lint. No name, no  
other alias... nothing.

MAYOR

Go home, Gordon. The clown'll keep  
till morning. Get some rest-  
you're going to need it. Tomorrow,  
you take the big job.

(off look)

You don't have any say in the  
matter.

(louder, for all)

*Commissioner* Gordon.

The cops in M.C.U. start CHEERING.

EXT. GORDON HOME -- NIGHT

Gordon rings the bell. Barbara answers it, dressed in  
black.

GORDON

I couldn't tell you. I couldn't  
risk-

She SLAPS Gordon. He grabs her, holds her tight as she  
sobs.

INT. HOLDING, MCU, GOTHAM CENTRAL -- NIGHT

The Joker's men are processed. In the harsh light, the men  
look a little ridiculous in their clown make-up. DETECTIVE  
MURPHY turns to Stephens.

DETECTIVE

Look at these ugly bastards.

One of the men, walks over, clutching at his belly.

FAT THUG

I don't feel good.

DETECTIVE MURPHY

You're a cop killer. You're lucky  
to be feeling anything below the  
neck.

Alone in his cage, the Joker smiles at this.

INT. KIDS' BEDROOM, GORDON HOME -- NIGHT

Gordon crouches by his son's beside. He reaches out to  
touch James Jr's cheek. James's eyes open. Staring at his  
dad as if still dreaming.

JAMES  
(whispers)  
Did Batman save you, dad?

Gordon looks at his son. A little pride seeps in.

GORDON  
Actually, this time I saved *him*.

Gordon's phone rings-

INT. MAJOR CRIMES UNIT, GOTHAM CENTRAL -- NIGHT

Gordon PUSHES through the swarm of detectives crowded into  
the observation room. The Joker can be seen through the  
glass, as well as on a large MONITOR. Sitting there.  
Calm.

GORDON  
Has he said anything, yet?

Ramirez shakes her head. Gordon PUSHES through a door...

INT. INTERROGATION, MCU, GOTHAM CENTRAL -- NIGHT

The Joker, in near darkness. Gordon walks in. Sits.

THE JOKER  
Evening, Commissioner.

GORDON  
Harvey Dent never made it home.

THE JOKER  
Of course not.

GORDON  
What have you done with him?

THE JOKER

(laughs)

Me? I was right here. Who did you  
leave him with? Your people?  
Assuming, of course, that they are  
your people not Maroni's...

(off look)

Does it depress you, Lieutenant, to  
know how alone you are?

Gordon can't help glancing at the mounted CAMERA.

THE JOKER (CONT'D)

Does it make you feel *responsible*  
for Harvey Dent's current  
predicament?

GORDON

Where is he?

THE JOKER

What time is it?

GORDON

What difference does that make?

THE JOKER

Depending on the time, he might be  
in one spot.

(smiles)

Or several.

Gordon stands. Moves to the Joker. Undoes his handcuffs.

GORDON

If we're going to play games, I'm  
going to need a cup of coffee.

THE JOKER

The good cop, bad cop routine?

Gordon pauses, hand on the doorknob.

GORDON

Not exactly.

Gordon steps out. The overhead lights COME ON. BATMAN IS  
BEHIND HIM. The Joker BLINKS in the HARSH WHITE LIGHT.

WHAM! The Joker's face HITS the table- comes up for air-  
CRACK! CRACK! To the head. Batman is in front of him.  
The Joker stares, fascinated. Bleeding.

THE JOKER

Never start with the head... victim  
gets fuzzy. Can't feel the next-

CRACK! Batman's fist SMACKS down on the Joker's fingers.

THE JOKER (CONT'D)

(calm)

See?

BATMAN

You wanted me. Here I am.

THE JOKER

I wanted to see what you'd do. And  
you didn't disappoint...

(laughs)

You let five people die. Then you  
let Dent take your place. Even to  
a guy like me... that's cold-

BATMAN

Where's Dent?

THE JOKER

Those mob fools want you gone so  
they can get back to the way things  
were. But I know the truth-  
there's no going back. You've  
changed things. Forever.

BATMAN

Then why do you want to kill me?

The Joker starts LAUGHING. After a moment he's laughing so  
hard it sounds like SOBBING.

THE JOKER

Kill you? I don't want to kill  
you. What would I do without you?  
Go back to ripping off Mob dealers?  
No you...

(points)

You. Complete. Me.

BATMAN

You're garbage who kills for money.

THE JOKER

Don't talk like one of them- you're not, even if you'd like to be. To them you're a freak like me... they just need you right now.

He regards Batman with something approaching pity.

THE JOKER (CONT'D)

But as soon as they don't, they'll cast you out like a leper.

The Joker looks into Batman's eyes. Searching.

THE JOKER (CONT'D)

Their morals, their code... it's a bad joke. Dropped at the first sign of trouble. They're only as good as the world allows them to be. You'll see- I'll show you... when the chips are down, these civilized people... they'll eat each other.

(grins)

See, I'm not a monster... I'm just ahead of the curve.

Batman GRABS the Joker and pulls him upright.

INT. OBSERVATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

One of the Detectives moves for the door. Gordon stops him.

GORDON

He's in control.

INT. INTERROGATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

Batman HOISTS the Joker up by the neck.

BATMAN

Where's Dent?

THE JOKER

You have these rules. And you think they'll save you.

BATMAN  
I have one rule.

THE JOKER  
Then that's the one you'll have to  
break. To know the truth.

BATMAN  
Which is?

THE JOKER  
(smiles)  
The only sensible way to live in  
this world is without rules.  
Tonight you're going to break your  
one rule...

Batman leans in to the Joker.

BATMAN  
I'm considering it.

THE JOKER  
There are just minutes left- so,  
you'll have to play my little game  
if you want to save...  
(with relish)  
...one of them.

BATMAN  
*Them?*

THE JOKER  
For a while I thought you really  
were Dent, the way you threw  
yourself after her-

Batman DROPS the Joker- RIPS up a bolted-down chair-

INT. OBSERVATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

Gordon MOVES for the door-

INT. OBSERVATION ROOM, MCU -- CONTINUOUS

Batman JAMS the chair under the doorknob- PICKS up the  
Joker and HURLS him into the two-way glass. The glass  
SPIDERS.

INT. INTERROGATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

The Joker, bleeding from nose and mouth, LAUGHS at Batman.

THE JOKER

Look at you go... does Harvey know  
about you and his-?

The Joker SMASHES into the wall- SLIDES to tha floor.  
Batman stande over him, a man possessad-

BATMAN

WHERE ARE THEY?!

He GRABS the Joker, holding him close-

THE JOKER

Killing is making a choice...

Batman PUNCHES the Jokar across the face. HARD.

BATMAN

WHERE ARE THEY?!

Tha Joker FEEDS off Batman's anger. Loving it.

THE JOKER

...you choose one life ovar the  
othar. Your friend, the district  
attornay. Or his blushing bride-  
to-be.

Batman PUNCHES tha Joker again. The Joker LAUGHS.

THE JOKER (CONT'D)

You have *nothing*. Nothing to  
threaten me with. Nothing to do  
with all your strangth...

(spits a tooth)

But don't worry, I'm going to tell  
you whers they are. Both of them,  
and that's the point- you'll have  
to *choose*.

The Batman stares at the Joker...

THE JOKER (CONT'D)

*He's* at 250 52nd Boulevard. And  
*she's* on avanue X at Cicero.

Batman DROPS him.

INT. OBSERVATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

Batman RACES past Gordon.

GORDON  
Which one are you-

BATMAN  
Dent knew the risks.

Gordon looks back- the Joker is bloody, but grinning.

EXT. MCU, GOTHAM CENTRAL -- NIGHT

Several cops see Batman climb onto the bat-pod and TEAR off.

EXT. STREETS, GOTHAM -- NIGHT

Batman SWERVES into oncoming traffic, CHAOS in his wake.

EXT. GOTHAM CENTRAL -- NIGHT

Gordon and his men SCRAMBLE into their cars...

INT. BASEMENT APARTMENT -- NIGHT

Black.

RACHEL (O.S.)  
Can anyone hear me?

Harvey Dent opens his eyes. He's bound to a chair in a dingy, unfurnished basement apartment.

DENT  
Rachel? Rachel is that you?

RACHEL (O.S.)  
(sobbing)  
Harvey. You're OK. I thought...

Her voice is coming from a speakerphone on the floor.

DENT  
It's OK, Rachel. Everything's  
going to be just fine.

He looks around. Behind him, metal BARRELS, hooked up to a car battery, with a TIMER counting down: five minutes.

INT. INTERROGATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

The Joker sits, smiling, content. Stephens guards the door.

THE JOKER

I want my phone call.

STEPHENS

That's nice.

THE JOKER

How many of your friends have I killed?

STEPHENS

I'm a twenty year man. I can tell the difference between punks who need a little lesson in manners, and the f---s like you who would just enjoy it.

(quiet)

And you killed six of my friends.

INT. HOLDING AREA, MCU, GOTHAM CENTRAL -- NIGHT

The Fat Thug shuffles to the bars, where a COP stands guard.

FAT THUG

(agony)

Please. My insides hurt.

COP

Step away from the bars.

FAT THUG

The boss said he would make the voices go away. He said he would go inside and replace them with bright lights. Like Christmas.

COP

That's great. Please step-

The Fat Thug COLLAPSES. The Cop grabs his radio.

INT. WAREHOUSE -- NIGHT

Rachel is bound to a chair. Behind her are barrels identical to the ones behind Dent.

DENT (O.S.)  
Can you move your chair?

RACHEL  
No. Harvey, we don't have much time-

The timer connected to the bomb reads 2.47... 2.46...

INT. BASEMENT APARTMENT -- NIGHT

Dent DRAGS his chair, inching closer to the barrels.

DENT  
Look for something to free yourself.

The chair JAMS against a ridge in the floor. Dent STRAINS to reach the timer. Inches shy.

RACHEL (O.S.)  
They said only one of us was going to make it. That they'd let our...  
(pause)  
Our friends choose...

Dent strains... THE CHAIR, AND DENT, TOPPLE OVER- KNOCKING OVER A BARREL.

RACHEL (O.S.) (CONT'D)  
Harvey? What's happening?

Dent, one side of his face pressed against the bare floor, watches the open barrel SPEW DIESEL FUEL around him-

DENT  
Nothing. I'm trying to...

Dent contorts his head to keep from swallowing any.

EXT. STREETS, GOTHAM -- NIGHT

The bat-pod SKIDS SIDEWAYS, WHEELS FLIPPING as the gyro keeps Batman upright on the tumbling bike- it comes to rest- guns lined up with a fire exit- BLOWS the door off its hinges- JUMPS off the bike-

EXT. 52ND STREET, GOTHAM -- NIGHT

Gridlock. Gordon SWERVES onto the sidewalk. People SCATTER.

INT. INTERROGATION ROOM, MCU, GOTHAM CENTRAL -- NIGHT

The Joker sits like a kid kept after class. He smiles.

THE JOKER

You know why I use a knife,  
Detective? Guns are too quick.  
You don't get to savor all the  
little emotions. See, in their  
best moments, people show you who  
they really are...

Stephens tries hard to ignore him. It isn't working.

THE JOKER (CONT'D)

So, in a way, I knew your friends  
better than you ever did.

(smiles)

Would you like to know which of  
them were really cowards?

STEPHENS

(rolls up sleeves)

I know you're going to enjoy this.  
But I'm going to enjoy it more.

Stephens PUNCHES the Joker in the gut.

INT. BASEMENT APARTMENT -- NIGHT

Dent is half submerged in diesel fuel.

RACHEL

Hervey, in case... I want you to  
know something...

Dent CHOKES, his emotions overwhelming him.

DENT

Don't think like that, Rachel.  
They're coming for you.

RACHEL

I know, but I don't want them to...

INT. WAREHOUSE -- NIGHT

Rachel looks at the timer. Ten seconds left.

RACHEL

I don't want to live without you.  
Because I do have an answer, and my  
answer is yes...

INT. HOLDING AREA, MCU, GOTHAM CENTRAL -- NIGHT

A MEDIC CUTS away the Fat Thug's shirt- his belly has large

He's got some kind of...  
contusion...

A RECTANGULAR SHAPE is visible under the skin above his  
navel.

INT. DETECTIVE'S ROOM, MCU, GOTHAM CENTRAL -- NIGHT

Stephens shuffles out into the room, a piece of BROKEN  
GLASS held to his THROAT by the Joker. Cops draw their  
weapons.

STEPHENS

This is my own damn fault. Just  
shoot him.

DETECTIVE MURPHY

What do you want?

THE JOKER

I want my phone call.

The Detectives look at each other. One of them pulls out  
his cell phone. TOSSES it to the Joker, who begins to  
dial.

INT. HOLDING AREA, MCU, GOTHAM CENTRAL -- NIGHT

The Medic gingerly PRESSES the rectangle. It illuminates,  
a soft blue light visible through the skin.

COP

Is that a... phone?

INT. DETECTIVE'S ROOM, MCU, GOTHAM CENTRAL -- NIGHT

The Joker presses SEND. At the end of the room, the door to the holding area EXPLODES-

DENT (CONT'D)

RACHEL!

RACHEL (O.S.)

Harvey? Harvey, it's okay...

DENT

RACHEL!!!

EXT. 52ND STREET, GOTHAM -- NIGHT

The BLAST HURLS Gordon backward onto the hood of his car-  
THE ENTIRE WAREHOUSE IS AN ENORMOUS EXPLOSION-

approaches.

SERGEANT

Dent's alive, Jim. Just. But back  
at M.C.U.... the Joker's gone...

GORDON

With Lau?

(the Cop nods)  
The Joker planned to be caught. He  
wanted me to lock him up in M.C.U..

EXT. STREET, DOWNTOWN GOTHAM -- DAWN

A squad car BLAZES down the street. The Joker sticks his

Alfred sits at a table reading the letter from Rachel.

RACHEL (V.O.)  
*Dear Bruce, I need to explain...*

*RACHEL (V.O.)  
...when you no longer need Batman.

He spots something. DENT'S TWO-HEADED COIN. Blackened, SCARRED. Batman turns it over. The other side is PRISTINE.

Alfred reads.

*RACHEL (V.O.)  
...but as your friend. I'm sorry  
to let you down...*

INT. HOSPITAL ROOM -- DAWN

*RACHEL  
If you lose your faith in me,  
please keep your faith in people...*

*BATMAN  
I'm sorry, Harvey.*

Batman puts DENT'S DAMAGED COIN on the bedside table.

INT. KITCHEN, WAYNE PENTHOUSE -- CONTINUOUS

*RACHEL (V.O.)  
Love, now and always, Rachel.*

Alfred finishes the letter. Tears in his eyes, he folds it back into its envelope. Places it on the breakfast tray.

INT. WAYNE PENTHOUSE -- DAWN

Alfred moves through the silent space, stepping past the cowl and gauntlets lying on the cold marble. He approaches Wayne, half-undressed, slumped in a chair watching Gotham.

ALFRED

I prepared a little breakfast.

Nothing. Alfred sets down the tray. The envelope is propped against the silver teapot.

ALFRED (CONT'D)

Very well.

WAYNE

Alfred?

ALFRED

Yes, Master Wayne?

Wayne turns, a desperate look in his eye.

WAYNE

Did I bring this on us? On her? I thought I would inspire good, not madness-

ALFRED

You have inspired good. But you spat in the face of Gotham's criminals- didn't you think there might be casualties? Things were always going to have to get worse before they got better.

WAYNE

But Rachel, Alfred...

ALFRED

Rachel believed in what you stood for. What we stand for.

Wayne looks up at Alfred. Alfred picks up the cowl.

ALFRED (CONT'D)

Gotham needs you.

WAYNE

Gotham needs its hero. And I let the Joker blow him half to hell-

ALFRED  
Which is why for now, they'll have  
to make do with you.

Alfred hands him the cowl. Wayne looks at him.

WAYNE  
She was going to wait for me. Dent  
doesn't know. He can never know...

Alfred glances at the envelope. Takes it off the tray.

WAYNE (CONT'D)  
What's that?

ALFRED  
It can wait.

Alfred puts the envelope in his pocket.

WAYNE  
That bandit, in the forest in  
Burma... Did you catch him?  
(Alfred nods)  
How?

ALFRED  
(uneasy)  
We burned the forest down.

EXT. DOWNTOWN GOTHAM -- DAY

ALFRED

You need to see this.

On screen: *Engel, in his studio, addressaes the camera.*

*The ahot cuts to REESE, nodding.*

ENGEL (CONT'D)

*Now ha'a taking mattera into hia own hands. We'll ba liva at five with the true identity of the Batman, stay with us...*

INT. HOSPITAL ROOM -- CONTINUOUS

Gordon ENTERS. Dent STARES to one side. He looks normal.

GORDON

I'm sorry about Rachel.

(nothing)

The Doctor says you're in agonizing pain but you won't accept medication. That you're refusing skin grafts-

DENT

Remember the name you all had for me when I was at Internal Affairs? What was it, Gordon?

GORDON

Harvey, I can't-

DENT

SAY IT!

Dent's anger makes Gordon flinch. He looks away. Ashamed.

GORDON

(small)

Two-face. Harvey two-face.

Dent turns to face Gordon- the left side of Dent's face is DESTROYED- skin blackened and shriveled. Molars visible. The eye a ball and socket. Dent manages a small smile with the good side of his face.

DENT

Why should I hide who I am?

GORDON

I... I know you tried to warn me.  
I'm sorry. Wuertz picked you up-  
was he working for them?

(nothing)

Do you know who picked up Rachel?

(nothing)

Harvey, I need to know which of my  
men I can trust.

Dent looks at Gordon. Cold.

DENT

Why would you listen to me now?

GORDON

I'm sorry, Harvey.

DENT

No. No you're not. Not yet.

Gordon takes a last look at Dent. Then leaves.

INT. CORRIDOR, HOSPITAL -- CONTINUOUS

Gordon steps out. Someone is there. Maroni. On crutches.  
Gordon stares at him. Cold. Maroni shifts, awkward.

MARONI

This craziness. This is too much.

GORDON

You should have thought of that  
before you let the clown out of the  
box.

MARONI

You want him, I can tell you where  
he'll be this afternoon.

EXT. ABANDONED DOCKS -- DAY

The Chechn gets out of his SUV. Looks at a RUSTED HULK.  
The Chechen, bodyguards, and dogs, head up the gangplank.

They pass into a huge hold. In the middle: A BILLION  
DOLLARS. The pile is thirty feet high. Standing on top-  
the Joker. At his feet, bound, is Lau. The Chechen  
laughs.

CHECHEN

Like I say- not so crazy as you  
look.

The Joker jumps from the top, slides down the pile.

THE JOKER

I told you- I'm a man of my word.  
(looks around)  
Where's the Italian?

The Chechen shrugs. Pulls out a cigar. Lights it.

CHECHEN

More for us. What you do with all  
your money, Mr.Joker?

The Joker GRABS a can of GASOLINE from his thug.

THE JOKER

I'm a man of simple tastes. I like  
gunpowder. Dynamite...

He is SPLASHING gasoline onto the money.

THE JOKER (CONT'D)

...gasoline...

The Chechen, FURIOUS, steps forwards. The Joker turns.  
JABS his gun in the Chechen's face. The Chechen's  
bodyguards REACT. The Joker's men DRAW on them.

THE JOKER (CONT'D)

And you know what they have in  
common? They're cheap.

CHECHEN

You said you were a man of your  
word.

The Joker PLUCKS the cigar from the Chechen's lips.

THE JOKER

I am.

The Joker tosses the cigar at the pile.

THE JOKER (CONT'D)

I'm only burning my half.

The Chechen watches the money catch fire.

THE JOKER (CONT'D)

All you care about is money. This city deserves a better class of criminal, and I'm going to give it to them. This is my town now. Tell your men they work for me.

The Joker crouches down to the Chechen's dogs. They GROWL.

CHECHEN

They won't work for a freak.

The Joker takes out a knife. Tosses it to his man.

THE JOKER

Cut him up and offer him to his little Princes. Let's show him just how loyal a hungry dog is.

The Joker's men GRAB the Chechen.

THE JOKER (CONT'D)

It's not about money. It's about sending a message...

The Joker watches the towering FLAMES. Lau screams.

THE JOKER (CONT'D)

Everything. Burns.

The Joker pulls out a phone...

INT. TELEVISION STUDIO -- DAY

Reese has a confident air. Engel is taking calls.

CALLER 1 (O.S.)

*I wanna how much they're gonna pay  
you to say who Batman really is.*

REESE  
*That's simply not why I'm doing  
this.*

ENGEL  
*Caller, you're on the air.*

CALLER 2 (O.S.)  
*Harvey dent didn't want us to give  
in to this maniac- you think you  
know better than him?*

ENGEL  
*Guy's got a point- Dent didn't want  
Batman to give himself up, is this  
the right thing to do?*

REESE  
*If we could talk to Dent now he  
might feel differently-*

ENGEL  
*And we wish him a speedy recovery.  
God knows we need him, now. Let's  
take another call-*

OLD LADY (O.S.)  
*Mr.Reese, what's more valuable: one  
life, or a hundred?*

REESE  
*I guess it would depend on the  
life.*

OLD LADY (O.S.)  
*OK. Let's say it's your life. Is  
it worth more than the lives of  
several hundred others?*

REESE  
*Of course not.*

OLD LADY (O.S.)  
*I'm glad you feel that way.  
Because I've put a bomb in one of  
the city's hospitals. It's going*

*off in sixty minutes unless someone kills you.*

ENGEL

Who is this?

OLD LADY (O.S.)

*Just a concerned citizen-  
(drops pitch to the  
JOKER'S VOICE)  
-and regular guy...*

INT. MAJOR CRIMES UNIT, GOTHAM CENTRAL -- CONTINUOUS

Gordon and his men are gearing up to take down the Joker.  
A Detective turns up the TV in the bullpen-

THE JOKER (O.S.)

*I had a vision. Of a world without  
Batman. The mob ground out a  
little profit and the police tried  
to shut them down, one block at a  
time... and it was so... boring.  
I've had a change of heart. I  
don't want Mr. Reese spoiling  
everything, but why should I have  
all the fun? Let's give someone  
else a chance...*

Reese looks around, twitching. Sweating.

THE JOKER (O.S.) (CONT'D)

*If Coleman Reese isn't dead in  
sixty minutes, then I blow up a  
hospital. Of course, you could  
always kill yourself, Mr. Reese.  
But that would be the noble thing  
to do. And you're a lawyer.*

The line rings off. Engel is speechless.

Gordon turns to the uniform COPS.

GORDON

*Call in every officer- tell them to  
head to their nearest hospital and  
start evac and search. Call the  
transit authority, school board,  
prisons- get every available bus*

down to a hospital- the priority is  
Gotham General- wheel everybody out  
of that place right now- my hunch  
is that's where the bomb is.

DETECTIVE MURPHY

Why?

GORDON

That's where Harvey Dent is.

The Uniforms SPRINT off. Gordon turns to his Detectives.

UNIFORMED COP

Where are we going, sir?

On screen: Reese is a deer in the headlights.

GORDON

To get Reese.

INT. WAYNE PENTHOUSE -- DAY

Wayne and Alfred move to the elevator.

WAYNE

I need you plugged in, checking  
Gordon's men and their families.

ALFRED

Looking for?

WAYNE

Hospital admissions.

ALFRED

Will you be taking the batpod, sir?

WAYNE

In the middle of the day? Not very  
subtle, Alfred.

ALFRED

The Lamborghini then.  
(watches Wayne go)  
Much more subtle.

EXT. GOTHAM STREETS -- DAY

Wayne's Lamborghini TEARS through downtown.

INT. HOSPITAL -- CONTINUOUS

CHAOS. PATIENTS and STAFF running around. COPS and TRAFFIC WARDENS try to manage the evacuation. The COPS stationed outside Dent's room, look around, unsure-

NURSE

Sir, are you going to help?!

Two Cops move to help wheel gurneys around the corner.

OMITTED

INT. LOBBY, TELEVISION STUDIO -- DAY

Gordon and his men escort Reese out of the elevator- Engel follows with a camera crew. As they approach the glass doors Gordon looks out at an angry crowd.

ENGEL

Commissioner?! You really think  
someone would try to-

Gordon SPOTS an OLD MAN raising a PISTOL- Gordon THROWS Reese to the ground as SHOTS SHATTER the laminated glass of the lobby. The Crowd SURGES in all directions-

GORDON

Get the cars around back!

Gordon hauls Reese to the stairwell.

INT. LAMBORGHINI -- CONTINUOUS

Wayne SLOWS past the chaos outside the television station.

WAYNE

I saw O'Brien and Richards...

INT. BAT-BUNKER -- CONTINUOUS

Alfred types at the computer station.

ALFRED (O.S.)

*Nothing on them. No immediate  
family members admitted to a Gotham  
hospital.*

INT. STAIRWELL, TELEVISION STUDIO -- CONTINUOUS

Gordon pulls the shaken Reese down the stairs...

REESE  
(shaken)  
They're trying to kill me.

...and into a police VAN...

INT. POLICE VAN -- CONTINUOUS

Gordon throws Reese in the back. Smiles.

GORDON  
Well, maybe Batman will save you.

The van PEELS out. Heads onto the streets.

EXT. HOSPITAL -- CONTINUOUS

Cops load patients onto BUSES. A TV van pulls up, Engel and his Cameraman jump out. One of Dent's guards, POLK, looks into a SCHOOL BUS. Turns to the Cop loading it.

POLK  
Okay, don't put anyone else on.  
(gets on radio)  
Davis, I got space, bring him out.  
(no answer)  
Davis?

Polk heads back towards the hospital, against the flow.

INT. LAMBORGHINI -- CONTINUOUS

Wayne trails the police van from a distance.

WAYNE  
I saw Burns and Zachary... and a  
patrolman I don't know.

ALFRED (O.S.)  
*Burns is clean... Zachary...*

WAYNE  
There's at least one I don't know-  
send the information to Gordon-

INT. POLICE VAN -- CONTINUOUS

Gordon's phone BEEPS. He looks at a text: *WATCH OUT. COPS WITH RELATIVES IN GOTHAM HOSPITALS- BURKE, RAMIREZ, TILL...*

INT. DENT'S HOSPITAL ROOM -- CONTINUOUS

Polk enters the room. No Davis. Just a REDHEADED NURSE, back towards him, reading Dent's chart.

POLK  
Ms'am, we're going to have to move  
him, now.  
(nothing)  
Ms'm?

The Redhead TURNS- it is the Joker, silenced pistol in hand. He FIRES.

EXT. GOTHAM STREETS -- CONTINUOUS

The Lamborghini zips around a car to get closer to the van.

INT. POLICE VAN -- CONTINUOUS

Gordon is reading his phone: *ERIKSON, BERG*. Gordon looks up sharply. Considers the uniformed cop nervously fingering his shotgun.

GORDON  
Berg, isn't it?

The young cop, BERG, looks up. Swearing.

BERG  
Commissioner?

GORDON  
You okay, son?

Berg nods. Looks at his watch.

INT. HOSPITAL ROOM -- DAY

The Joker draws closer to Dent's bed. Dent STRAINS at the leather cuffs binding him to the bed.

THE JOKER  
I don't want there to be any hard  
feelings between us, Harvey.

The Joker loosens Dent's restraints.

THE JOKER (CONT'D)  
When you and Rachel were being  
abducted I was sitting in Gordon's  
cage. I didn't rig those charges-

DENT  
Your men. Your plan.

THE JOKER  
Do I really look like a guy with a  
plan, Harvey? I don't have a  
plan...

THE JOKER (CONT'D)  
The mob has plans, the cops have  
plans. You know what I am, Harvey?

Dent's hand is TREMBLING.

THE JOKER (CONT'D)  
I'm a dog chasing cars... I  
wouldn't know what to do with one  
if I caught it. I just do things.  
I'm just the wrench in the gears.  
I hate plans. Yours, theirs,  
everyone's. Maroni has plans.  
Gordon has plans. Schemers trying  
to control their worlds. I'm not a  
schemer, I show the schemers how  
pathetic their attempts to control  
things really are. So when I say  
that you and your girlfriend was  
nothing personal, you know I'm  
telling the truth...

Hands him the pistol. Dent holds it to the Joker's head.

EXT. INTERSECTION, GOTHAM STREETS -- CONTINUOUS

Wayne ROARS past a line of traffic to settle in a few cars  
back from the police van, sitting at a red light.

INT. LAMBORGHINI -- CONTINUOUS

Wayne studies the intersection- spots a PICKUP jostling for  
position on the cross street.

INT. POLICE VAN -- CONTINUOUS

Gordon watches Berg, mentally tracing the trajectory of his shotgun barrel as Berg fiddles with his gun. Gordon starts trying to subtly unholster his own weapon.

GORDON

I'm gonna need your weapon, son.

Berg looks at Gordon.

BERG

What?

INT. LAMBORGHINI -- CONTINUOUS

Wayne watches the driver of the pickup staring intently at the police van. Lining it up.

INT. POLICE VAN -- CONTINUOUS

Reese looks from Berg to Gordon. Berg looks at Gordon, trembling, the barrel of his gun inching lower in the car.

BERG

Why? Because my wife's in hospital?

GORDON

Yeah. That would be why.

INT. DENT'S HOSPITAL ROOM -- CONTINUOUS

The Joker leans in, pressing his head to the gun's barrel.

THE JOKER

It's the schemers who put you where you are. You were a schemer. You had plans. Look where it got you. I just did whst I do best- I took your plan, and I turned it on itself. Look whst I've done to this city with a few drums of gas and a couple of bullets. Nobody panics when the expected people get killed. Nobody panics when things go according to plan, even if the plan is horrifying. If I tell the press that tomorrow a gangbanger will get shot, or a truckload of soldiers will be blown up, nobody panics. Because it's all part of

the plan. But when I say that one  
little old mayor will die,  
everybody loses their minds!  
Introduce a little anarchy, you  
upset the established order and  
everything becomes chaos. I'm an  
agent of chaos. And you know the  
thing about chaos, Harvey?

Dent looks into the Joker's eyes. Finding meaning.

THE JOKER (CONT'D)

It's fair.

Dent looks down at the coin in his hands. Turns it over,  
feels it's comforting weight. Shows the Joker the good  
side.

DENT

You live.

He turns the coin over. The flip side is deeply SCARRED.

DENT (CONT'D)

You die.

The Joker looks at the coin. Looks at Dent, admiringly.

THE JOKER

Now you're talking.

Dent FLICKS the coin into the air. Catches it. Looks.

EXT. INTERSECTION, GOTHAM STREETS -- CONTINUOUS

The light turns GREEN. The police van pulls into the  
intersection- the pickup GUNS IT, RACING AT IT...

INT. LAMBORGHINI -- CONTINUOUS

Wayne FLOORS it, YANKS the wheel to pull up onto the  
sidewalk-

INT. POLICE VAN -- CONTINUOUS

Berg licks his lips, nervous.

BERG

Mr.Reese?

EXT. INTERSECTION, GOTHAM STREETS -- CONTINUOUS

The pickup BARRELS at the van, FULL TILT- at the last second Wayne's Lamborghini SLIPS alongside the van- the pickup SMASHES INTO THE LAMBORGHINI-

INT. POLICE VAN -- CONTINUOUS

As the van JOLTS with the impact Gordon LEAPS forward, PUSHING UP Berg's shotgun barrel, which FIRES into the roof- Gordon SMASHES Berg on the head with his sidearm.

EXT. INTERSECTION, GOTHAM STREETS -- CONTINUOUS

Gordon's men pull the pickup driver from his cab- Gordon crouches down to the Lamborghini wreck to help pull Wayne from the car. Gordon recognizes him as he pulls him free.

GORDON

You okay, Mr.Wayne?

Wayne looks at him, woozy. Sits on the curb.

WAYNE

Call me Bruce. I think so.

GORDON

That was a brave thing, you did.

WAYNE

Trying to catch the light?

GORDON

You weren't protecting the van?

Wayne turns- sees the police van as if for the first time. Reese steps down, dazed.

WAYNE

Why? Who's in it?

Reese looks eyes with Wayne. Nods. Gordon sizes up Bruce Wayne and his crushed sports car.

GORDON

You don't watch a whole lot of news, do you, Mr.Wayne?

WAYNE

(shrugs)

It can get a little intense. Think  
I should go to hospital?

GORDON  
Not today, I wouldn't.

INT. CORRIDOR, HOSPITAL -- CONTINUOUS

The Joker walks calmly through the mostly deserted building. As he walks he pulls a DETONATOR from his pocket. Strolling along he PUSHES THE BUTTON... STAGGERED EXPLOSIONS BURST INTO THE CORRIDOR BEHIND HIM LIKE DEMOLITION BLASTS... the Joker just walks out the door...

EXT. HOSPITAL -- CONTINUOUS

The Joker STROLLS down the steps- WINDOWS BLOW OUT IN SERIES- People DIVE for cover- Engel PILES into a school bus-

The Joker walks across the parking lot- THE BUILDING COLLAPSING BEHIND HIM...

EXT. INTERSECTION, GOTHAM STREETS -- CONTINUOUS

Gordon hears the EXPLOSION.

GORDON  
Gotham general...  
(grabs his phone)  
Did you get Dent out?

COP (O.S.)  
*I think so-*

EXT. HOSPITAL -- CONTINUOUS

The Cop cowers as DEBRIS and SMOKE BLAST across the street-

INT. SCHOOL BUS -- CONTINUOUS

The Joker gets onto the bus. Nods at his man at the wheel.

EXT. HOSPITAL -- CONTINUOUS

All eyes are on the collapsed building. One school bus pulls out from the line of other buses. Heads down the street.

INT. BAR, GOTHAM HEIGHTS -- DAY

An empty neighborhood dive, the local DRUNK passed out at the bar, BARTENDER, watching BREAKING NEWS on the TV.

BARTENDER

Sweet Jesus. D'you see this, Mike?  
They blew up a hospital...

Detective Wuertz, at a booth looks up at the TV, bored.

BARTENDER (CONT'D)

Shouldn't you be out there, you  
know, doing something?

WUERTZ

It's my day off.

The Bartender shuts the register.

BARTENDER

I gotta take a leak, keep an eye on  
things, will ya?

The Bartender steps out. The back door OPENS again.

WUERTZ

What? You need me to shake it for-

He TRAILS off as someone sticks a gun in his face: Harvey  
Dent. Standing in shadow. He sits.

DENT

Hello.

WUERTZ

Dent, I thought you was... dead...

Dent leans into the light. The left side of his face is  
HIDEOUSLY BURNED, cheek gone, blackened teeth and gums.

DENT

Half.

Dent picks up Wuertz's drink. Takes a SIP. Wuertz watches  
the bare muscles RETRACT as Dent SWALLOWS.

DENT (CONT'D)

Who picked up Rachel, Wuertz?

WUERTZ

It must've been Maroni's men-

Dent SLAMS the glass back on the table- Wuertz FLINCHES.

DENT

You, of all people, are gonna  
protect the other traitor in  
Gordon's unit?

WUERTZ

I don't know- he'd never tell me.

WUERTZ

(stares at Dent)  
I swear to God, I didn't know what  
they were gonna do to you-

DENT

Funny, I don't know what's going to  
happen to you, either.

Dent pulls his coin from his pocket. FLIPS it. Wuertz  
watches it SPIN. It lands on the table. Scarred side up.  
The drunk at the bar STIRS at the GUNSHOT.

EXT. GOTHAM GENERAL -- DAY

Gordon, manic, surveys the scene with a Cop-

GORDON

You must know how many were inside-  
you've got patient lists, roll  
calls-

COP

Sir! Sir. Take a look at what  
we're dealing with. Cops, National  
Guard-

(gestures at buses)

We're showing 50 missing- but that  
building was clear. These buses  
are heading off to other hospitals-  
my guess is we missed one.

GORDON

Yeah? What's your *guess* about  
where Harvey Dent is?

The cop says nothing.

GORDON (CONT'D)

Keep looking. Keep it to yourself.

INT. FOX'S OFFICE WAYNE INDUSTRIES -- DAY

Fox is watching the news. His intercom buzzes.

VOICE (O.S.)

Mr.Fox? Security is showing a  
break-in at the R and D department.

INT. CORRIDOR OUTSIDE RESEARCH AND DEVELOPMENT -- DAY

Fox watches two security men force the door. He enters alone.

INT. LAB, RESEARCH AND DEVELOPMENT -- DAY

Fox enters the dimly-lit room. At one end is an extraordinary array of thousands of tiny monitors. Fox approaches, fascinated, as they quietly display architectural patterns individually and in concert. The images become a MAP.

BATMAN (O.S.)

Beautiful. Isn't it?

Fox nods, staring at the monitors as Batman approaches.

FOX

Beautiful. Unethical. Dangerous.  
You've turned every phone in the  
city into a microphone...

Lucius presses a key. The BABBLE of a MILLION CONVERSATIONS at once fills the room. Every cell phone in the city.

BATMAN

And high frequency  
generator/receiver.

FOX

Like the phone I gave you in Hong Kong. You took my sonar concept and applied it to everybody's phone in the City. With half the city feeding you sonar you can image all of Gotham.

(turns to Batman)

This is wrong.

BATMAN

I've got to find this man, Lucius.

FOX

But at what cost?

BATMAN

The database is null-key encrypted.  
It can only be accessed by one  
person.

FOX

No one should have that kind of  
power.

WAYNE

That's why I gave it to you. Only  
you can use it.

Lucius looks at Batman. Hard.

FOX

Spying on thirty million people  
wasn't in my job description.

Batman points to a TV screen. Fox turns. ON SCREEN: the  
Joker shakes his head above a graphic "LATEST THREAT"...

THE JOKER

What does it take to make you  
people want to join in..?

EXT. SITUATION TENT AT GOTHAM GENERAL -- CONTINUOUS

Gordon watches a screen. Grave.

THE JOKER

You failed to kill the lawyer...  
I've got to get you off the bench  
and into the game. So, here it  
is...

INT. BAR, DOWNTOWN -- CONTINUOUS

The bar, packed with business people watches the TV.  
SILENT.

THE JOKER

Come nightfall, this city is mine,  
and anyone left here plays by my

*rules. If you don't want to be in  
the game, get out now.*

Bar patrons start moving... *The Joker reaches for the  
camera-*

*THE JOKER (CONT'D)*  
*But the bridge-and-tunnel crowd are  
in for a surprise.*

*CUT TO STATIC.* The bar patrons look around, confused.

INT. LAB, RESEARCH AND DEVELOPMENT -- CONTINUOUS

Fox turns from the TV to look at Batman.

BATMAN  
Trust me.

Fox stares at Batman.

BATMAN (CONT'D)  
This is the audio sample.

He plugs a USB dongle into the console. A sample of the  
Joker's voice from the call-in news program plays.

BATMAN (CONT'D)  
If he talks within range of any  
phone in the city, you'll be able  
to triangulate his position.

Lucius toggles a menu. The city is an open book- People  
working, eating, sleeping. Lucius shakes his head.

BATMAN (CONT'D)  
When you've finished, type your  
name to switch it off.

FOX  
I'll help you this one time...

Lucius sits at the console. Batman moves off-

FOX (CONT'D)  
But consider this my resignation.

Batman turns. Fox looks at him, serious.

FOX (CONT'D)

As long as this machine is at Wayne Industries, I won't be.

EXT. VARIOUS LOCATIONS -- DUSK

Gothamites POUR out of the city, on foot and by car... the BRIDGES and TUNNELS are deserted, but for BOMB SQUAD search teams.

INT. CITY HALL -- CONTINUOUS

Gordon briefs the Mayor.

GORDON

My officers are going over every inch of the tunnels and bridges, but with the Joker's threat they're not an option.

MAYOR

Land routes East?

GORDON

Backed up for hours. Which leaves the ferries with thirty thousand waiting to board. Plus, corrections are at capacity, so I want to use a ferry to take some prisoners off the island.

MAYOR

The men you and Dent put away? Those aren't people I'm worried about.

GORDON

You should be- they're the people you least want to be stuck with in an emergency. Whatever the Joker's planning, it's a good bet that Harvey's prisoners might be involved. I want 'em out of here.

EXT. FERRY TERMINAL -- DUSK

At the ferry terminal, National Guardsmen watch over the THIRTY THOUSAND jostling, scared people waiting to board the two MASSIVE FERRIES to Seven Sisters. Grumbles turn to

YELLS as 800 PRISONERS are loaded onto a ferry by shotgun-toting CORRECTIONS OFFICERS.

CIVILIAN

That ain't right! We should be on that boat.

NATIONAL GUARDSMAN

You want to ride across with them, be my guest.

EXT. BROWNSTONE -- DUSK

Maroni climbs into the back of a limo.

INT. LIMO -- DUSK

Maroni settles back into his seat. The car pulls away.

MARONI

Don't stop for lights, cops, nothing.

DENT (O.S.)

Going to join your wife?

Maroni STARTS. Someone is in here with him. Harvey Dent-Two Face- leans forward, clutching a pistol.

DENT (CONT'D)

You love her?

MARONI

Yes.

DENT

Can you imagine what it would be like to listen to her die?

MARONI

Take it up with the Joker. He killed your woman. Made you... like this...

DENT

The Joker's just a mad dog. I want whoever let him off the leash.

Maroni looks at Dent. Worried.

DENT (CONT'D)

I took care of Wuertz, but who was your other man inside Gordon's unit? Who picked up Rachel? It must've been someone she trusted.

MARONI

If I tell you, will you let me go?

DENT

It can't hurt your chances.

MARONI

It was Ramirez.

Pulls out his coin. Dent cocks the pistol...

MARONI (CONT'D)

But you said-

DENT

I said it couldn't hurt your chances.

Dent FLIPS it. Looks: good side. He shrugs.

DENT (CONT'D)

Lucky guy.

Maroni looks confused. Dent FLIPS the coin again. Looks down at the coin. Shakes his head.

DENT (CONT'D)

But he's not.

MARONI

Who?

Dent smiles. PUTS HIS SEAT BELT ON.

DENT

Your driver.

Dent presses the barrel of the revolver behind the shadow of the driver. Maroni LUNGES, SCREAMING. Dent FIRES.

EXT. BRIDGE -- DUSK

The Limo SWERVES off of the bridge, SOARS out over the canal, and PANCAKES into the RETAINING WALL.

EXT. FERRY TERMINAL -- DUSK

CIVILIANS CRAM their way onto one ferry. Finally, the COMMANDER of the National Guard unit SIGNALS to his men to STOP BOARDING and CAST OFF.

The two FERRIES set off across the river, heading for the lights of the distant shore of the mainland.

INT. BRIDGE, PRISONER FERRY -- NIGHT

The FIRST MATE looks out the window, at the second ferry. It is DEAD in the WATER. He turns to the PILOT [PRISON FERRY].

FIRST MATE  
They've lost their engines.

PILOT [PRISON FERRY]  
Get on the radio and tell 'em we'll  
come back for them once we dump  
these scumbags-

Suddenly, the control panel FLICKERS and DIES.

PILOT [PRISON FERRY] (CONT'D)  
Get down to the engine room.

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

The First Mate skirts around the PRISONERS and CORRECTIONS OFFICERS...

INT. ACCESS CORRIDOR, PRISONER FERRY -- NIGHT

The First Mate opens the door to the engine room. STOPS.

HUNDREDS OF BARRELS OF DIESEL FUEL. And a small, wrapped PRESENT, topped with a BOW.

INT. BRIDGE, PRISONER FERRY -- NIGHT

The Pilot [Prison Ferry] is holding the small present. His radio CRACKLES.

PILOT [PASSENGER FERRY] (O.S.)  
Same thing over here- enough diesel  
to blow us sky high. And a  
present.

EXT. ELEVATED ROADWAY, DOWNTOWN GOTHAM -- CONTINUOUS

Batman sits on the bat-pod, cape blowing. Listening.

BATMAN

Fox? There's something going on on  
the ferries...

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

As cold scared Families watch, the NATIONAL GUARD COMMANDER  
UNWRAPS that ferry's present. Inside, he finds a crude  
REMOTE DETONATOR.

NATIONAL GUARD COMMANDER

Why would they give us the  
detonator to our own bomb?

Up in the wiring at the ceiling, a CELL PHONE taped in to  
the P.A. rings and answers.

THE JOKER (O.S.)

*Tonight, you're all going to be  
part of a social experiment.*

ON BOTH FERRIES: CIVILIANS, PRISONERS, CREW, AND NATIONAL  
GUARDSMEN ALL LISTEN AS THE JOKER'S VOICE RINGS OUT.

INT. LAB, WAYNE ENTERPRISES -- NIGHT

Lucius Fox looks up as the console CHIMES.

FOX

I'm zeroing in.

THE JOKER (O.S.)

*Through the magic of diesel fuel  
and ammonium nitrate, I'm ready  
right now to blow you all sky high.  
Anyone attempts to get off their  
boat, you all die...*

FOX

His voice is on the ferry, but  
that's not the source...

EXT. ROOFTOPS ABOVE GOTHAM -- NIGHT

Batman looks out, across the entire city skyline.

BATMAN  
Do you have a location on the  
Joker?

FOX (O.S.)  
It's west...

Batman FIRES UP the bat-pod- his cape SHRINKS into its pack  
form as he PEELS OUT, ROARING into the night.

THE JOKER (O.S.)  
But we're going to make things a  
little more interesting than that.  
Tonight, we're going to learn a  
little bit about ourselves...

INT. GORDON HOME -- CONTINUOUS

Barbara Gordon answers the phone.

RAMIREZ (O.S.)  
Barbara, it's Anna Ramirez-

BARBARA  
Hi, Anna-

RAMIREZ (O.S.)  
Listen carefully, there's no time.  
Jim needs you to pack up and get  
the kids in the car right away.

BARBARA  
But the units outside-

RAMIREZ (O.S.)  
Barbara, those cops can't be  
trusted. Jim needs you away from  
them as soon as possible. I'll  
call them off for 10 minutes,  
you'll have to move fast-

BARBARA  
But where-

RAMIREZ (O.S.)  
I'm going to give you an address-  
Jim will meet you there...

EXT. MCU -- CONTINUOUS

Ramirez is holding the phone.

RAMIREZ  
250, 52nd street. Leave as soon as  
the patrol car pulls out.

Dent is holding a gun at Ramirez's head. She hangs up.

DENT  
She believe you?

Ramirez nods.

DENT (CONT'D)  
She trusts you. Just like Rachel  
did.

RAMIREZ  
I didn't know-

DENT  
'What they were gonna do'? You're  
the second cop to say that to me.  
What, exactly, did you think they  
were going to do?

RAMIREZ  
I'm sorry- they got me early on.  
My mother's medical bills and my-

DENT  
Don't!

Dent FLIPS his coin.

RAMIREZ  
I took a little from them- once  
they've got you, they keep you.  
I'm sorry.

Dent looks at his coin. Good side.

DENT  
Live to fight another day, officer.

Dent CRACKS her on the head with his gun.

INT. BRIDGE, PRISONER FERRY -- NIGHT

The Pilot [Prison Ferry] tries the radio. It's DEAD.

PILOT [PRISON FERRY]  
He killed the radio.

THE JOKER (O.S.)  
*There's no need for all of you to  
die. That would be a waste. So  
I've left you both a little  
present.*

EXT. PENTHOUSE, PREWITT BUILDING -- NIGHT

The Joker stares out over the harbor, at the ferrie.  
Talking into a cell phone. Holding a detonator, with TWO  
BUTTONS.

THE JOKER  
Each of you has a remote to blow up  
the other boat.

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

The Prisoners and Corrections Officers listen. Appalled.

THE JOKER (O.S.)  
*At midnight, I blow you all up.  
If, however, one of you presses the  
button, I'll let that boat live.  
You choose. So who's it going to  
be- Harvey Dent's most wanted  
scumbag collection... or the sweet  
innocent civilians?*

(beat)  
*Oh, and you might want to decide  
quickly, because the people on the  
other boat may not be quite so  
noble.*

The Joker HANGS UP. The Pilot [Prisoner Ferry] looks down  
at the remote in his hands. Prisoners begin YELLING and  
PUSHING. The WARDEN takes the remote from the Pilot- COCKS  
his shotgun. His men level their weapons at the crowd.

EXT. FERRY TERMINAL -- CONTINUOUS

Gordon looks out at the ferrie. His phone rings.

BATMAN (O.S.)  
*I have the Joker's location-*

EXT. GOTHAM STREETS -- CONTINUOUS

Batman ROARS along on the bat-pod.

BATMAN  
Prewitt building. Assemble on the  
building opposite.

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

The National Guard Commander is holding the remote.  
Several passengers take a step towards him. He PULLS his  
weapon.

NATIONAL GUARD COMMANDER  
Stay back.

A BUSINESSMAN clutching his briefcase speaks up.

BUSINESSMAN  
Who are you to decide? We ought to  
talk it over, at least.

Other passengers agree. A MOTHER with two KIDS speaks up.

MOTHER  
We don't all have to die. Why  
should my babies die? Those men  
had their chance-

NATIONAL GUARD COMMANDER  
We're not talking about this...

PASSENGER 1  
They're talking over the same exact  
thing on the other boat.

PASSENGER 2  
If they're even bothering to talk.  
Let's put it to a vote.

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

As the Prisoners grow angrier, a CORRECTIONS OFFICER FIRES  
his shotgun into the air. The Prisoners back off.  
Slightly.

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

A GUARDSMAN on this boat passes around a hat. People drop  
CHITS into it. Passengers filling out chits eye each  
other. People on their phones say goodbye to loved ones.

The Pilot [Passangar Ferry] looks out across the water to the other Ferry. Looks up at the clock. Ten to midnight... STARES down at his blank chit.

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- NIGHT

Gordon and his SWAT team leaders set up SNIPER and SCOPE positions on the balustrade.

INT. GARAGE, PREWITT BUILDING -- CONTINUOUS

A SWAT stands beside the empty school bus.

SWAT (INTO RADIO)  
We've found our missing bus.

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- CONTINUOUS

Gordon looks at the SWAT LEADER.

GORDON  
Then we have a hostage situation.

They look across at the large windows of the Prewitt Building. The Joker's men, in crude, homemade CLOWN MASKS are clearly visible, automatic weapons in hand.

SWAT SNIPER  
I got hostages!

They look through his scope. Crouched deeper in the room, PATIENTS, DOCTORS, and NURSES, huddled.

GORDON  
It's a shooting gallery. Why'd he choose a spot with such big windows?

BATMAN (O.S.)  
He likes the view.

Batman gestures towards the view of the ferries.

SWAT LEADER  
We have clear shots on five clowns. Snipers take them out, smash the windows- a team rappels in, a team moves in by the stairwells. 2 or 3 or three casualties, max.

GORDON  
(barely hesitates)  
Let's do it.

BATMAN  
It's not that simple. With the  
Joker, it never is.

GORDON  
What's *simple*, is that every second  
we don't take him, those people on

GORDON  
the ferries get closer to blowing  
each other up!

BATMAN  
That won't happen.

GORDON  
Then he'll blow them both up!  
There's no time- we have to go in  
now-

BATMAN  
There's always a catch with him-

GORDON  
That's why we can't wait- we can't  
play his games-

Batman turns.

BATMAN  
I need five minutes. Alone-

GORDON  
No. There's no time. We have  
clear shots.

Gordon pulls his gun. Batman turns back. The SWATs watch.

GORDON (CONT'D)  
Dent's in there with them. We have  
to save Dent! I have to save Dent!  
(to SWAT Leader)  
Get ready-

Batman LEAPS from the building, OPENS his cape- SOARS across the gulf between the two buildings- Gordon puts his weapon away. Curses softly. Turns to the SWAT leader.

GORDON (CONT'D)

Two minutes. Then you breach.

EXT. PREWITT BUILDING -- CONTINUOUS

Batman LANDS against the glass two floors below-

BATMAN

Fox. I need picture.

INT. LAB, RESEARCH AND DEVELOPMENT -- CONTINUOUS

Fox hits some keys-

FOX

You've got p.o.v. on alpha channel,  
omni on beta-

EXT. PREWITT BUILDING -- CONTINUOUS

SMOKED GLASS EYEPIECES slip down over Batman's eyes. Batman's SONAR P.O.V.: the layers of the building dissolve, levels of TRANSPARENCY PULSING rhythmically... Batman can see the people inside the building...

INT. PENTHOUSE, PREWITT BUILDING -- NIGHT

The Joker is standing by the window, looking out at his handiwork. The Chechen's DOGS start BARKING. He SMILES.

EXT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

Batman reaches into his utility belt, SPRAYS PLASTIC onto the glass- lets it harden- PUNCHES the window-which BREAKS QUIETLY as the pieces stick to the laminate- he slips inside-

INT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

INT. STAIRWELL, PREWITT BUILDING -- CONTINUOUS

A SWAT team moves up the stairs.

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- CONTINUOUS

Gordon's phone rings.

GORDON

Hello? Barbara, calm down-

DENT (O.S.)

Hello, Jim.

GORDON

Harvey? What the hell's going on?

DENT (O.S.)

You're about to know what my  
suffering is really like...

Gordon looks across at the Prewitt penthouse...

GORDON

Where are you? Where's my family?!

DENT (O.S.)

Where my family died.

Click. Gordon looks at the SWAT leader. Pale.

SWAT LEADER (INTO RADIO)

Red Team. Go!

Gordon moves to the door off the roof.

INT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

Batman GRABS the Armed Clown, drops him, silently. He goes to disarm him- THE WEAPON IS DUCT-TAPED TO THE CLOWN'S HANDS. Batman RIPS off the clown mask:

STARING, FRIGHTENED EYES- MOUTH DUCT-TAPED SHUT... it's ENGEL.

Batman looks up: Four more clowns line the windows, weapons duct-taped to their hands. On SONAR: he looks into where the hostages are crouched... the "PATIENTS" and "DOCTORS" are carrying weapons- these are the Joker's men... Above

them SWATS RAPPEL FROM THE ROOFTOP. In the stairwells, two more teams prepping.

BATMAN

Don't. Move.

Engel nods, terrified.

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- CONTINUOUS

The SWATS line up the clowns in their sights...

INT. STAIRWELL, PREWITT BUILDING -- CONTINUOUS

The SWAT team arrives at the penthouse fire exit. They spread CHARGES across the inner wall-

OMITTED

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- CONTINUOUS

The SWAT Leader checks his watch.

SWAT LEADER (INTO RADIO)

Go! Go! Go!

A SWAT Sniper zeroes in on a clown- the clown DISAPPEARS- the Sniper looks up, confused-

INT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

Batman yanks the clown along the floor using his grapple gun- the clown takes down the two next to him- Batman leaps for the nearest two as SHOTS SHATTER the glass-

EXT. PREWITT BUILDING -- CONTINUOUS

The SWATS rappel down the building- SWING in through the broken windows-

INT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

The "hostages" reel from the BLAST- The SWATS SWOOP in- aiming weapons at the clowns, throwing PERCUSSION GRENADES- Batman takes out the SWATS with fists and BATARANGS-

The last SWAT aims at BATMAN- behind him a "DOCTOR" raises a shotgun... behind the "Doctor" Batman can see through the wall at SWATS preparing to breach... Batman VAULTS over the SWAT into a two-foot kick into the "Doctor's" chest-

INT. STAIRWELL, PREWITT BUILDING -- CONTINUOUS

The Swats BLAST OUT THE WALL- the team leader steps up to the hole... the BAT-GRAPPLE FIRES out-lodging in his kevlar vest... he is YANKED, SCREAMING, through the door. The rest of his team look at each other. Steel themselves. Move in through the hole...

INT. PENTHOUSE, PREWITT BUILDING -- CONTINUOUS

As the SWATS race in they find Engel, terrified, next to a pile of unconscious "hostages", and their team leader, one end of an absailing rope tied around his waist. Batman is on them, weaving KICKING, PUNCHING, and, with one hand, clipping carabiners looped to the absailing rope onto their webbing of vests.

Batman steps back- picks up the team leader- SWAT weapons aim at him- he hurls the Team Leader out the window... the SWATS watch him go... the rope pays out... one by one they are YANKED out of the window...

EXT. ROOFTOP OVERLOOKING PREWITT BUILDING -- CONTINUOUS

A SNIPER watches through his scope as the six man SWAT team soars out of the window and drops. The line snaps taut and they hang, like a mountaineering team in crisis. Batman, crouched in the broken window, secures the line.

SNIPER

What the hell's he doing?

Batman looks right at the sniper- Raises his grapple gun- BAM. The bat grapple smashes into the Sniper's scope- the rifle is YANKED out of his hands.

INT. PREWITT BUILDING -- CONTINUOUS

Batman races past a dazed Engel...

ENGEL

(pathetic)

Thanks.

...into the main office. The Joker is there.

THE JOKER

You came. I'm touched.

BATMAN

Where's the detonator?

The Dogs LEAP at Batman- SMASH him to the ground...

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

The Pilot [Passenger Ferry] finishes counting the votes.  
Reads the verdict.

PILOT [PASSENGER FERRY]  
The tally is 196 votes against.  
(looks down)  
And 340 votes for.

The passengers avoid eye contact with each other.

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

The Corrections Officers are in a phalanx in the corner,  
facing off against hundreds of menacing Prisoners.

PRISONER 1  
Do you wanna die!

The Warden and his men look at each other. At the clock.

INT. PENTHOUSE, PREWITT BUILDING -- NIGHT

Batman WRESTLES with the Rotswilers- a blinding mass of  
Batman, black fur and bared teeth-

The Joker POPS a switchblade. Moves in to the mass- Batman  
KICKS OFF the last of the dogs- the Joker JABS his knife  
into Batman's RIBS-

THE JOKER  
All the old familiar places.

Batman recoils in pain. The Joker BUTTS him- KNEES him-  
ENERGY explodes from his lean frame- he KICKS the injured  
Batman back towards the glass...

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

The Pilot [Passenger Ferry] looks at the remote in his  
hands.

PILOT [PASSENGER FERRY]

I voted for it. Same as most of you. Doesn't seem right that we should all die...

Someone calls out from the back.

PASSENGER 3

So do it!

PILOT [PASSENGER FERRY]

I didn't say I'd do it. Don't forget. We're still here. Which means they haven't killed us, yet, either.

He sets the remote down on a bench in the front of the lounge. The other passengers and guardsmen stare at it...

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

A HUGE, TATTOOED PRISONER pushes his way to the front. He walks towards the Warden, who is sweating, looking at the remote.

TATTOOED PRISONER

You don't wanna die. But you don't know how to take a life. Give it to me.

The Warden looks at the remote. At the clock.

TATTOOED PRISONER (CONT'D)

These men will kill you and take it, anyway. Give it to me, you can tell people I took it by force... give it to me and I'll do what you should have done ten minutes ago.

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

Everyone stares at the remote. One minute left. The Businessman stands. Walks over and picks it up.

BUSINESSMAN

No one wants to get their hands dirty. Fine. I'll do it. Those men on that boat made their choices. They chose to murder and steal. It makes no sense for us to die, too.

He looks at the other passengers. No one makes eye contact.

INT. PASSENGER LOUNGE, PRISONER FERRY -- NIGHT

The Warden slowly hands him the REMOTE. The Prisoner looks at it. He looks at the Warden in the eye...

Then TOSSES the remote out the window.

Warden, prisoners and officers are stunned.

EXT. PENTHOUSE, PREWITT BUILDING -- NIGHT

Batman FLIES backwards THROUGH THE WINDOW- glass flying- the Joker KICKS out a wooden brace holding up the STEEL FRAME- Batman's arms fly up as it comes crashing down onto his neck- saved by his protective gauntlets. Batman GRUNTS as the Joker STEPS onto the steel beam...

THE JOKER

If we don't stop fighting, we're going to miss the fireworks.

BATMAN

There won't be any fireworks.

Batman STRUGGLES to keep the beam from CRUSHING his neck...

INT. PASSENGER LOUNGE, COMMUTER FERRY -- NIGHT

The Businessman stares at the remote in his hands. Finally, he puts it down. Sits down. Waits to die.

The clock strikes MIDNIGHT.

EXT. PENTHOUSE, PREWITT BUILDING -- NIGHT

Batman indicates the clock... twelve o'clock.

BATMAN

What were you hoping to prove?  
That deep down, we're all as ugly  
as you?

The Joker looks at the clock...

INT. BOTH FERRIES -- CONTINUOUS

The Passengers brace. Look at the clock. Confused...

INT. PREWITT BUILDING -- CONTINUOUS

The smile disappears from the Joker's face.

BATMAN

You're alone.

The Joker CROUCHES down, hovering above Batman's face and arms. Shows him the remote.

THE JOKER

Can't rely on anyone these days.

The Joker ARMS the remote...

THE JOKER (CONT'D)

Have to do everything yourself. I  
always have- and it's not always  
easy...

THE JOKER

(smilee,  
remembering)

You know how I got these scars?

Batman looks up at him.

BATMAN

No. But I know how you get these-

Batman's SCALLOP BLADES FIRE OUT OF HIS GAUNTLET, hitting the Joker in the chest and arm- he STAGGERS back- Batman, freed, leaps forward- KICKS HIM OVER THE EDGE- GRABS the remote-

The Joker GIGGLES as he FALLS, enjoying the ride. Something SLAMS into his leg, and he JERKS to a stop- BATMAN'S GRAPPLE. The Joker HOLLERS in pain as Batman HAULS him up.

THE JOKER

Just couldn't let me go, could you?  
I guess this is what happens when  
an unstoppable force meets an  
immovable object. You truly are  
incorruptible, aren't you?

Batman secures the Joker UPSIDE DOWN. The Joker is LAUGHING.

THE JOKER (CONT'D)

You won't kill me out of some misplaced sense of self-righteousness... and I won't kill you because you're too much fun. We're going to do this forever.

BATMAN

You'll be in a padded cell, forever.

THE JOKER

Maybe we can share it. They'll need to double up, the rate this city's inhabitants are losing their minds...

BATMAN

This city just showed you it's full of people ready to believe in good.

The Joker looks up at him. A twinkle in his eye.

THE JOKER

Till their spirit breaks completely. Until they find out what I did with the best of them. Until they get a good look at the real Harvey Dent, and all the heroic things he's done.

(indicates ferry)

Then those criminals will be straight back onto the streets and Gotham will understand the true nature of heroism.

THE JOKER

(off look)

You didn't think I'd risk losing the battle for the soul of Gotham in a fist fight with you? You've got to have an ace in the hole. Mine's Harvey.

Batman hauls the Joker up, nose to nose.

BATMAN

What did you do?

THE JOKER

I took Gotham's white knight. And  
I brought him down to my level. It  
waan't hard- madness ia like  
gravity. All it takes is a little  
*push.*

Joker laughs. Batman leaves him to the SWATs.

BATMAN

Lucius. Find Harvey Dent.

EXT. BURNT WAREHOUSE, 52ND STREET -- NIGHT

Gordon gets out of his car, gun drawn. Makes his way into  
the blackened wreck of a building...

INT. BURNT WAREHOUSE, 52ND STREET -- NIGHT

Gordon peers into the darkness.

GORDON

Dent?

No reply. Gordon makes his way deeper. Up the stairs.

INT. SECOND FLOOR, BURNT WAREHOUSE -- NIGHT

Gordon spots Barbara and their two children huddled  
together. He moves towards them- Barbara is shaking her  
head-

WHAM! Dent cracks Gordon over the head with his gun. Dent  
disarms Gordon, rolls him over. He turns to look at the  
ENORMOUS hole in the floor. From this side, in the  
moonlight, Dent looka completely normal.

DENT

This ia where they brought her,  
Gordon. After your people handed  
her over. This is where they bound  
her. This is where she auffered.  
This is where she died.

GORDON

I know. I was here. Trying to  
save her.

Dent TURNS, revealing his dark side.

DENT

But you didn't, did you?

GORDON

I couldn't.

DENT

Yes, you could.

DENT

If you'd listened to me- if you'd stood up against corruption instead of doing your deal with the devil.

GORDON

I was trying to fight the mob-

Dent MOVES towards Gordon.

DENT

You wouldn't dare try to justify yourself if you knew what I'd lost. Have you ever had to talk to the person you love most, wondering if you're about to listen to them die? You ever had to lie to that person? Tell them it's going to be all right, when you know it's not? Well, you're about to find out what that feels like. Then you'll be able to look me in the eye and tell me you're sorry.

Dent turns- steps over to Barbara- puts the gun to her temple-

GORDON

Harvey. Put the gun down. You're not going to hurt my family.

DENT

No, just the person you need most.  
(cocks gun)  
So is it your wife?

GORDON

Put the gun down.

Dent moves the gun to point at Gordon's little girl.

GORDON (CONT'D)  
Please, Harvey...

Dent moves to James Gordon. Brushes the hair out of the boy's eyes with the muzzle. Gordon SNAPS.

GORDON (CONT'D)  
Goddamit. Stop pointing that gun at my family, Dent.

DENT  
We have a winner.

Dent pulls the boy away from his mother.

BARBARA  
No! Jim stop him! Don't let him!

Dent walks James past Gordon to the edge of the burnt floor. He touches the raw wood at the edge of the floor.

GORDON  
I'm sorry, Harvey. For everything.  
But, please. Please don't hurt him.

SIRENS.

EXT. BURNT WAREHOUSE, 52ND STREET -- CONTINUOUS

Cop cars descend on the warehouse.

INT. SECOND FLOOR, BURNT WAREHOUSE -- CONTINUOUS

Dent looks at Gordon, FURIOUS.

DENT  
You brought your cops?

GORDON  
All they know is there's a situation. They don't know who, or what. They're just creating a perimeter.

DENT  
You think I want to *escape*?!  
There's no *escape* from this-

Dent indicates his face. His suffering.

GORDON

No one needs to escape, because no one's done anything wrong. And nobody has to.

Dent chuckles. A macabre sight.

DENT

I've done plenty wrong, Gordon.  
Just not quite enough. Yet.

Dent squeezes the gun a little tighter against the little boy's neck. The boy WHIMPERS.

BATMAN (O.S.)

You don't want to hurt the boy,  
Dent.

Dent turns. Batman steps from the shadows.

DENT

It's not about what I want. It's about what's fair.

(to Gordon and  
Batman)

You thought we could be decent men in an indecent world. You thought we could lead by example. You thought the rules could be bent but not break... you were wrong. The world is cruel.

(shows his coin)  
And the only morality in a cruel world is chance. Unbiased.  
Unprejudiced. Fair.

BATMAN

Nothing fair ever came out of the barrel of a gun, Dent.

DENT

(shows the coin)  
His boy's got the same chance she had. Fifty-fifty.

Batman steps closer, desperate, trying to reach Dent.

BATMAN

What happened to Rachel wasn't chance. We decided to act. We three. We knew the risks and we acted as one. We are all responsible for the consequencss.

Dent looke at Batman. Pleading.

DENT

Then why was it only me who lost everything?

Batman looks into Dent's eyes. Emotional.

BATMAN

It wasn't.

DENT

(furious)

The Joker chose me!

BATMAN

Because you were the *best of us*.  
He wanted to prove that even  
someone as good as you could fall.

DENT

(bitter)

And he was *right*.

BATMAN

But your fooling yourself if you think you're letting chance dscide. You're the one pointing the gun, Harvey. So point it at the people who were responsible. We all acted as one. Gordon. Me. And you.

Dent is listening, the wheels in his deranged mind turning.

DENT

Fair enough.

Dent eases his grip on the boy.

DENT (CONT'D)

You first.

He points the gun at Batman. FLIPS the coin. TAILS. He SHOOTs. Batman COLLAPSES to the ground, clutching his gut.

DENT (CONT'D)

My turn.

He points the gun at his own head. FLIPS the coin. HEADS.  
He looks a little disappointed.

Finally, he points the gun back at Gordon's son.

DENT (CONT'D)

Your turn, Gordon.

GORDON

You're right, Harvey. Rachel's  
death was my fault. But punish me-

DENT

I'm about to. Tell your son it's  
going to be all right, Gordon.  
Lie. Like I lied.

Gordon looks up. Pained. Locks eyes with his son.

GORDON

It's going to be all right, son.

Dent FLIPS the coin. High. Dent's eyes FOLLOW the coin  
up- Batman HURLS himself at Dent and the boy.

All three of them VANISH over the edge. A TERRIBLE CRASH-  
then silence, but for the sound of DENT'S COIN, SPINNING on  
the floor at the edge of the hole.

Gordon, horrified, RUNS to the edge- peers down-

Dent lies at the bottom of the hole, his neck broken.  
DEAD.

The coin stops spinning, GOOD SIDE UP.

Gordon's son swings into view, HANGING from Batman, who is  
holding onto a JOIST with all his strength...

Gordon reaches down to GRAB his son- HAULS him up...

Batman FALLS..., dropping and dropping, SMASHING THROUGH  
protruding WOOD and PIPES... He lands HARD near Dent.

EXT. BURNT WAREHOUSE, 52ND STREET -- CONTINUOUS

The cops prepare to STORM the front door.

INT. BURNT WAREHOUSE, 52ND STREET -- CONTINUOUS

Gordon races down the stairs. Rushes over to Batman.

JAMES (O.S.)

Dad, is he okay?

Gordon crouches at Batman's side. The Batman GRASPS Gordon's arm. STAGGERS to his feet.

GORDON

Thank-you.

BATMAN

You don't have to-

GORDON

Yes, I do.

Gordon and Batman stare down at Dent's body. Grave.

GORDON (CONT'D)

The Joker won.

Gordon stares down at SCARRED SIDE of Harvey Dent.

GORDON (CONT'D)

Harvey's prosecution, everything he fought for, everything Rachel died for. Undone. Whatever chance Gotham had of fixing itself... whatever chance you gave us of fixing our city... dies with Harvey's reputation. We bet it all on him. The Joker took the best of us and tore him down. People will lose all hope.

BATMAN

No. They won't.

(looks at Gordon)

They can never know what he did.

GORDON

(incredulous)

Five dead? Two of them cops? We can't sweep that under-

BATMAN

No. But the Joker cannot win.

Batman crouches to Dent's body.

BATMAN (CONT'D)  
Gotham needs its true hero.

Gently, he turns Dent's head so the good side of his face is up. Gordon looks from Dent's face to Batman. Understanding.

GORDON  
You? You can't-

BATMAN  
Yes, I can.

Batman stands. Faces Gordon.

BATMAN (CONT'D)  
You either die a hero or live long enough to see yourself become the villain. I can do those things because I'm not a hero, like Dent. I killed those people. That's what I can be.

GORDON  
(angry)  
No, you can't! You're not!

Batman hands Gordon his police radio.

BATMAN  
I'm whatever Gotham needs me to be.

INSERT CUT: GORDON STANDS AT A PODIUM AT DENT'S FUNERAL.  
BEHIND HIM IS A LARGE PHOTOGRAPH OF DENT SMILING.

GORDON  
...a hero. Not the hero we deserved- the hero we needed. Nothing less than a knight. Shining...

GORDON (V.O.) (CONT'D)  
They'll hunt you.

BATMAN (V.O.)  
You'll hunt me.

INSERT CUT: GORDON, ON THE ROOF OF GOTHAM CENTRAL, AXE IN HAND, WATCHED BY AN ASSORTMENT OF COPS AND REPORTERS...

BATMAN (CONT'D)  
You'll condemn me, set the dogs on me...

GORDON TAKES THE AXE TO THE BAT SYMBOL- SPARKING, SMASHING...

BATMAN (V.O.) (CONT'D)  
...because it's what needs to happen.

INSERT CUT: ALFRED HOLDS THE LETTER FROM RACHEL. THINKING.

BATMAN (V.O.) (CONT'D)  
Because sometimes the truth isn't good enough...

INSERT CUT: ALFRED BURNS THE ENVELOPE FROM RACHEL.

BATMAN (CONT'D)  
...sometimes, people deserve more.

INSERT CUT: LUCIUS FOX TYPES HIS NAME INTO THE SONAR MACHINE.

INSERT CUT: FOX HITS THE "X". THE MACHINE FLASHES RED "SELF-DESTRUCT WARNINGS". THEN DIES. FOX SMILES TO HIMSELF.

Batman hurries off. LIMPING into the shadows.

JAMES (O.S.)  
Batman?!

James RUNS down the stairs to join father-

JAMES (CONT'D)  
Why's he running, Dad?!

Gordon stares after Batman.

GORDON  
Because we have to chase him...

EXT. WAREHOUSE -- CONTINUOUS

As Cops race into the buildings the DOGS get the scent and pull away from the doorway, following the SHADOW into the stacks of shipping containers...

INT. WAREHOUSE -- CONTINUOUS

James looks at his father, confused.

JAMES

He didn't do anything wrong!

Gordon stares after the Batman. The sound of the dogs becoming louder and more ferocious.

JAMES (CONT'D)

Why, dad? Why?!

GORDON

Because...

EXT. DOCKSIDE ROOFTOPS -- CONTINUOUS

The Batman LURCHES between shipping containers. STUMBLING. BLEEDING. He makes it to the bat-pod...

GORDON (V.O.)

*...he's the hero Gotham deserves...  
but not the one it needs right now.  
So we'll hunt him, because he can  
take it. Because he's not our  
hero...*

The bat-pod streaks through Gotham's underground streets, the Batman's cape fluttering behind. A wraith...

GORDON (V.O.) (CONT'D)

*...he's a silent guardian, a  
watchful protector... a dark  
knight.*

The Batman races up a ramp into a blinding light-

CUT TO BLACK.

CREDITS.

END.
